Report of the President

The 50th Anniversary was a huge success. Many thanks to everyone who helped make it a success. Special thanks to the Aloha Chapter, and especially to Joe Niemitz and Don Howell for their many hours of hard work. Special Thanks also to Mark Valentine for our 90' x 45' Pearl Harbor Flag. I know I had goose bumps as I think all of us did when we saw it raised for the first time, especially when the wind caught it; and it flew almost straight out over the crowd.

I understand that Mark Valentine is a few dollars short of covering his expenses, so if some members or chapters wish to help with his expenses, please send your donations to the National Treasurer; Bill Eckel. He will get the funds to Marc.

Speaking of Bill Eckel, special thanks go to him and his wife, Mickey, and their daughter, Zana, for doing a magnificent job of handling all those registrations and tickets. Also many thanks to Cecil Malmin and his lovely wife for taking on the Herculean task of handling the banquet seating assignments and also handling the parade line up. Also many thanks to the Sheraton Waikiki Hotel staff for all their cooperation and an outstanding job with the tremendous crowds. Special thanks go to Helen Chinn, Shirley Saki, and especially to Mr. James Browne, Director

of Catering, the gentleman responsible for our continental breakfast and then the next day serving the largest banquet crowd in the history of the hotel. Also our thanks to Coors Brewery, Mr. Joe Coors, and Mr. Warren Hutchings for donating \$5,000 to the Association and furnishing the beer free for the hospitality room and free copies of prints of the painting that was donated to CINPAC.

This brings up one of the problems that occurred. As was announced, there was a free print of the painting for each Pearl Harbor Survivor present, but some survivors took six or more prints so some survivors did not get their print. Coors has agreed to furnish some additional prints. To those survivors who were at the banquet and did not receive a print, let your State Chairman know by the first of March. We will check the registration and banquet reservations and hope to get you one through your State Chairman. To those of you who took more than one print, if you will turn in the extra copies to your State Chairman, it will help.

Special thanks also to the Chordayers from Minnesota who paid their own expenses to Hawaii, and not only sang "Eternal Father" at the flag raising, but marched in the

parade in their new aloha shirts where they sang eight times along the route including a serenade to Mr. Cheney at the reviewing stand; and then captivated the audience at the reception. Special thanks to Mark Richman, wasn't the picture great? And the shots I have seen of the different functions are superb. By the time you read this, I will have edited the video tapes, and they will be on their way shortly. I understand there are samples of pictures in this GRAM you can order. We will see if we can get the giant picture to display at the convention in Little Rock in December. Another gentleman who does a tremendous job for this Association without much credit is our storekeeper, Ed Chappell. He lovingly collects, stores, and displays memorabilia of the Association and also spends countless hours filling orders received by mail, and at conventions and reunions spends countless hours packing, setting up, and manning the small stores rooms so you can browse and buy things you need. I did not have time to visit the small stores rooms this time, but I heard the rooms were crowded with people. Ed tells me he could not have handled the crowds without the assistance of his number one

helper, his wife, Eva; and Burt and Laie Williams, Don Jones, Don Spitsengel, Del Black, George Blake, Marv Ziegler, Ray and Ginny Emory and George Cooley.

As many of you are aware, the 50th Commemoration at Pearl Harbor was the kick off of 5 years of commemorating the major battles of World War II. As most Pearl Harbor Survivors served in the South Pacific during the war, we are planning a trip to commemorate the Battle of the Coral Sea the first of May and to Guadalcanal the first of August in 1992. See the ad in the GRAM. We need to know as soon as possible how many might be interested. We believe these trips will be interesting and exciting.

Pearl Harbor Survivors Day in Westfield, PA

By Earl Selover, W4LPP

Thirty-seven Pearl Harbor survivors gathered at the Westfield Elementary School on October 25, 1991 with approximately 300 faculty and students and others to commemorate the 50th anniversary of the attack on Pearl Harbor, December 7, 1941. The mayor of Westfield and the Commissioners of Tioga county issued proclamations declaring October 25th to be "Pearl Harbor Survivors Day" throughout the area. There was a widespread display of flags, signs and other patriotic symbols.

The Tioga County Amateur Radio Club set up equipment in one classroom and in a three hour period communicated with more than 80 amateur radio operators throughout the country on the PHSARN frequencies. Several net members at the school manned the microphones for part of this time. Certificates verifying the contacts were sent to all those contacted, some of whom were Pearl Harbor survivors.

Two important items were dedicated. The first was a book compiled by the students based on the volume of letters and memorabilia received from survivors. (see August 1991 Gram, page 7). Titled "We Will Remember Pearl Harbor" it has been widely distributed to other educational activities and survivors as well as the President of the United States, George Bush. The second item is an American flag which had been flown over the USS Arizona in Pearl Harbor. It was donated to the school by Eugene Price W6RBD. It is displayed in a place of honor in the all purpose room of the school.

THE WHITE HOUSE
WASHINGTON

October 24, 1991

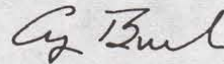

I am delighted to send greetings to the students and graduates of Westfield Area Elementary School as you celebrate Pearl Harbor Survivors Day.

It is wonderful to know that you are honoring the members of the Pearl Harbor Survivors Amateur Radio Net, many of whom you came into contact with over the ham radio that is operated by your teacher. These veterans represent living history, and each of them can help you to understand more fully the lessons of World War II -- something I try to teach my grandchildren. I hope that, as you visit with these veterans, you will realize just how much they and their fallen comrades risked for the sake of our Nation. They put themselves in harm's way so that their fellow Americans -- and, indeed, millions of people around the world -- could live in freedom. We owe these heroes a great deal.

As this event demonstrates, each of us is a trustee of the past. We have an obligation to remember the lessons of history, along with the men and women who helped to shape the past. We are also called upon to live up to our Nation's heritage -- and to add something good and meaningful to it.

Congratulations to you and to your teacher, Mr. Bruce Weaver, as well as to the members of the Pearl Harbor Survivors Amateur Radio Net. Working together on such a creative and rewarding project will provide each of you with wonderful, lasting memories.

Mrs. Bush joins me in sending best wishes. God bless you.

The principal speaker of the day was Mr. Bruce Weaver who did a fine job of summarizing the sequence of events leading up to this special day. He also explained how he got the White House involved and read a letter he received from the President concerning the project. He also read a letter from the Secretary of the Navy.

Rear Admiral Martin W. Lenkhardt, representing the Pentagon, in his brief statement, told the students that the Pearl Harbor survivors had a lot to teach them, and that one learns about the future from the past.

A local TV station broadcast the entire dedication ceremony to its viewers. CNN sent a reporter, producer, camera operator and sound technician to film the

ceremony and interview the survivors about their memories of December 7, 1941.

The following members of the PHSARN attended the affair: W2HPB Joel Bachner (Past President PHSARN), West Lawn PA; K6UKF Robert Barnes, Redwood City, CA; WB3HBX Charles A. Curtze, Rear Admiral USN (Ret), Erie, PA; W2WCE Thomas Fallon, Waldwick, NJ; KW3N Warren Dean, Hollywood, MD; WA2RAV Jack F. Foeppel, Sherrill, NY; W2FF Henry Garstka, Edgewater Park, NJ; W5YPZ Larry H. Kuehn, Industry, TX; KA1HNU Dick Lewis, Raymond, NH; N2JGS Joe Pilus, Cornwall, NY; W8GFU Joseph F. Scinto, Kettering, Ohio; KA3DFB Harold L. Sharadin, McClure, PA; AE5I Oscar E. "Gene" Smith, Abilene, TX; W2EER Edward W. Stone, Syracuse, NY; and N4FLW Irving Strobing, Northside, NC.

This issue of the *Gram* is the first issue sent FIRST CLASS MAIL that Survivors have paid \$5.00 for the year.

Issues of the *Gram* will be sent via NON-PROFIT PERMIT MAIL to those of you who have not paid the \$5.00 annual fee until such time as this is voted on by the Members at the convention in Little Rock, Arkansas in December 1992. The words "Address Correction Requested" will not appear on these *Grams*. When those *Grams* were returned to the National Secretary, he had to pay a fee which we will no longer pay.

If you have not paid for FIRST CLASS MAILING of the *Gram*, and you do not receive it because of change of address or any other reason, DO **NOT** TELEPHONE THE EDITOR FOR A COPY. Write a letter and include 75 cents postage, and that issue will be sent to you as long as copies last.

Congressional Commemorative

I would be remiss if I did not thank all the National Officers, District Directors, State Chairmen, and the Chapter Presidents for their effort and cooperation in the preparation and presentation of the Congressional Commemorative Medals. I think the enormity of the project was a surprise to all of us and especially to yours truly and it was only your determination to make it succeed that brought it to a successful conclusion.

If anyone would have told me that in excess of 20,000 applications would pass through my office I would have doubted their foresight. However we did handle that amount and you, all of you, rose to the occasion. From the reports I received most of the Presentation Ceremonies went extremely well and my compliments to all.

Errors were made, and I made my share of them, but basically the job was done and done well. So let me finalize this missive with kudos for all and if one word can summarize my feelings to all of you it is "PRIDE."

Olympic Peninsula Chapter #4, Washington

By George A. Christian

Washington Olympic Peninsula Chapter 4 received over 250 medals to be distributed. The chapter had to fund the cost of mailing out the notices to Chapter members as well as to 150 non-chapter members. Many of these people could not attend a meeting to receive the medals and wanted them mailed. The chapter sent notices to recipients to send in the necessary postage and handling fee which would be more than the chapter could afford. Mr. Richard Arnold, Superintendent of KITSAP COUNTY SANITARY LANDFILL, INC., and his employees heard of the situation and immediately donated \$500.00 to cover the postage and handling.

Not only do we wish to extend our heartfelt thanks to these people but we wish all hands to know that there are people who still REMEMBER PEARL HARBOR and the SURVIVORS.

Our annual meeting was held on 23 November 1991 in the VFW Post in East Helena, MT and was attended by 48 Survivors and their guests. A family style dinner was put on by the Post Ladies of the Auxilliary.

The PH commemorative medal was presented to those in attendance by Eastern Montana Congressman Ron Marlenee who also addressed the group on preparedness.

Approximately 30 newly discovered survivors were located as a result of the medal applications and this would bring the chapter and State total membership to nearly 100 if all joined.

Northern Virginia Awards

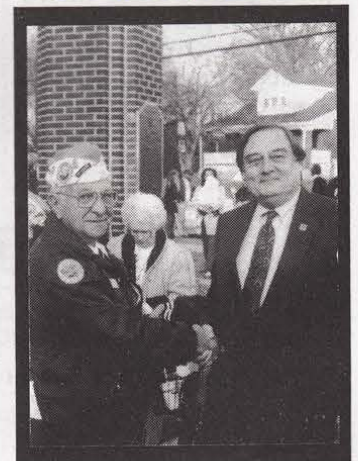

By William J. Miller

Congresswoman Eleanore Holmes Norton (D.C.) presented the Pearl Harbor Commemorative Medal to 24 survivors now residing in the nation's capitol. Location of this event was the US Soldiers and Airmans Home. In this December 5th ceremony, the congresswoman was assisted by major generals Donald C. Hilbert, USA and David C. Morehouse, USAF.

A key person in this ceremony was Kerri Childress, who is the public affairs specialist for the old veterans' home. Prior to this she served at Arlington National Cemetery, where for a few years she helped arrange PHSA observances at that location for survivors and their relatives residing in Northern Virginia.

Tennessee "Volunteers" Commit a Plaque and a Flag to Posterity

By James H. Medlin, Sr.
 President Tennessee Chapter 4

Twenty-three Tennessee Pearl Harbor Survivors and two Widows were awarded the 50th Anniversary Congressional Commemorative Medal in ceremonies on December 7, 1991. Fifty years and Father Time may have dimmed our physical vision, we said, but not the memories of those of us who were "there" on December 7, 1941, nor our commitment to "Keep America Alert."

For weeks we had shared our stories with the Press, TV and Radio. Many of these had been secretly stored in the distant reaches of the mind, but were painfully recalled once more in an effort and a renewed commitment to somehow alert a new generation of the dangers of complacency.

To keep this story alive, our Tennessee chapters secured a plaque containing the names of every known Tennessee Survivor. The

Tulahoma High School Band took the plaque to Pearl Harbor for certification during December 7 ceremonies there and it will be displayed in the War Memorial Building in Nashville. Its purpose is not only to permanently memorialize those who gave their all at Pearl Harbor, but to keep in the forefront of future generations the lessons learned on December 7, 1941. Senator Albert Gore, Jr. presented Chapter 4 with a flag which had flown over the Tomb of the Unknown Soldier in Washington, D.C. The symbols of this flag and this plaque with our names inscribed must be our legacy and our promise that 2,403 did not die in vain.

Letters to the Editor

In regards to the 108th February issue, I am sorry that my writing to you was not clearer because the photo on page 42 wasn't of the 47th Pursuit Squadron. It is a picture of the 4th Airways Squadron on New Caledonia. But the good part is I heard from 1st Sergeant Wenner of the 47th and Merton Starmer of the 47th, and had a phone call from John Wilberding.

If it is possible to correct my bad writing say that was 4th Airways Detachment, New Caledonia.

Thank You

Dear Bob,

Earlier this year you had some correspondence with Guy A. Nelson about his being mistakenly listed on the Deaths List. We of the Twin Cities Chapter know by his active participation in our functions that he is far from being dead and believe me we are happy about that.

However the Gram reaches lots of other people many of whom are friends of Guy and it's disturbing to Guy and his wife Ann to receive calls and cards about his death. You could do Guy's family and his friends a big favor if you would print a notice in the next Gram that indeed Guy Nelson is still alive and would like to hear from his friends that were at Whaler Field with him.

Thanks in advance

From the Editor

There were several errors in the November Gram which I want to correct.

Page 38 "8th District Meeting" below photo should have read Massachusetts State Chairman William Curtis. I left out his name when I typed it for layout.

Page 35 below photo concerning North Texas Chapter 4 Monument most of the information was omitted. It should have read:

"Larry Lawrence; Dallas Pro-tem Mayor John Evans; Joe Stritmatter; Frank Weldon; Chapter President Huston James; Vice President Joe Sudduth; Clifton Bellew; John Cloud; Bryan Stout; Artis Teer; and Vernon Kelly."

On page 2 following the Pearl Harbor photos should have been the statement: "Photos from the collections of Robert Varrill and Herschel Chipp."

The last names of two new members were spelled incorrectly. They were Costa R. Craig Jr. and Henry A. Neulreich.

The units of the Following Survivors were incorrect and should have been:

Howard C. Lindsey - USS Breeze (not USMC).
Troy B. McDonald - 52nd F/A Bn Schofield Bks.
Daniel F. McCarthy - USS Pennsylvania.

In the August Gram, Reed H. Fortner should have been shown as in 90th F/A Bn 25th Div. Schofield Barracks (not in Hickam Field).

Hickam Field

Russell L. Waldron, 31st Bomb Squadron, delivered the Invocation at the Flag Pole Ceremony at Hickam Air Force Base during the 50th Anniversary Memorial Services. Included in the ceremony was the dedication of a Memorial Tablet which listed the names of the 190 persons who were killed during the Japanese attack. The following paragraphs were the closing remarks of his Invocation.

“Almighty God, as You know, it was fifty years ago today that hundreds of our Sailors, Airmen, Marines and Soldiers made the Supreme Sacrifice here at Pearl Harbor. They died in the Defense of the United States of America. They were MURDERED. They were murdered because of orders from the Japanese Government at that time. The aerial attack was illegal. It was unlawful. The attack was made deliberately, willfully, and with premeditated malice. It was a sneaky, surprise attack. It was a dastardly, terrible, and tragic attack.

Since then, NO JAPANESE GOVERNMENT HAS EVER APOLOGIZED FOR THIS ATTACK. The very great majority of Pearl Harbor Survivors have strong convictions that the current Japanese Government should apologize for this attack. It is true that the Foreign Minister of Japan has recently expressed his deep remorse for the unbearable suffering and sorrow caused by the attack. However, the present Japanese Government has not made a formal declaration of apology.

Almighty God, we know that You want us to forgive

Hawaii Air National Guard F-15 aircraft flyover Flag at Hickam Field AF Base.

and forget. We also know that it is your will that forgiveness comes after repentance. We know that a person or nation that injures another person or nation must first express his sorrow and then apologize for the injury. An apology must be made before forgiveness can be given. Since the Japanese Government has not apologized we are confused about what we should do.

Almighty God, help us to forgive and forget. Help us to participate in the healing process of our two Nations.”

"Sleeping Giant" Pearl Harbor Remembered....50 Years Later

Our 5 man TV crew spent almost a week in Honolulu and Pearl Harbor during the recent 50th Anniversary observance of the Japanese attack. We have produced a broadcast quality, one hour video documentary, featuring interviews with many survivors and key individuals, whose names and actions occupy a permanent place in American History. From the President of the United States to the only two surviving Medal of Honor recipients, to the three individuals who were involved in the first radar sighting of the attacking planes, an aerial view of Pearl Harbor today, and much more. Survivors relive their stories, and you can too.

Featuring much historical footage as well as key events during the 50th Anniversary, this video will be a treasured addition to your library. This is *not* just a re-enactment of the attack, nor coverage of parties and parades. It is rather, at times, an emotional look back at perhaps the most remembered event of this century. Satisfaction guaranteed. Sorry, available in VHS only.

We took almost \$100,000 worth of equipment on site, which assures you of absolute top production quality of this video. *This will be totally different from other videos being offered*, and the quality will be superior. Order your copy today. To order by phone, using your credit card, call 1-817-261-2500. Or, send cash, check, money order, MasterCard or VISA number using the form below. Dedication Speech at Punchbowl National Memorial Cemetery of the Pacific, Honolulu, Hawaii given December 7, 1991 by Houston James

Today we have journeyed to this sacred memorial cemetery to pay our respects and to honor our fallen comrades, those that fell during the attack on this day fifty years past. It is traditional for Pearl Harbor Survivors to do so wherever we are on December 7. Part of our heritage also, embodied in our National Motto, is the word REMEMBER.

We the survivors remember. We remember the peacefulness of an early Sunday morning. We remember the earth shattering thunder that robbed us of our calm serenity. Each of you that bore witness to the events of that December day will always remember. You Remember - It was not the crash of thunder, but the arms of war that stole away our calmness in paradise. Each of you has your individual remembrances indelibly etched in your mind. Along with us, millions of others of that era join us in remembering. Especially those who were asked to take up the sword, to rally with us to defend our freedom.

To all of us, this day, 7 December, will always be remembered as Pearl Harbor - "A Date that will live in Infamy." Please do not ask us to forget, to do so would be a mockery of the 3,500-plus who were casualties as a result of that attack. Remember, all those who perished or sustained wounds were not just names on a roll call - to us, they Survivors, they were friends, buddies, shipmates, fellow warriors. Whatever title you choose is fine. It is an awesome tragedy that they were denied the title that we all share, the title "Survivor." So today it is our legacy as Survivors to gather together to renew our pledge, to remember.

On this day, the 50th Anniversary, we are privileged to dedicate a memorial in honor and memory of those events. This memorial is chiseled from granite and adorned with a tablet cast in bronze - materials chosen to withstand the elements for the ages. This is our token of remembrance. It will soon find its rightful place at the newly created Memorial

Walkway here at this beautiful National Memorial Cemetery of the Pacific (Punchbowl). We, the living, dedicate this memorial monument especially to those who fell on December 7, 1941. We also wish to remember today the thousands who wore the badge of Survivorship then, but have since departed to join the others in eternal rest. It is our prayerful wish that future generations strolling these hallowed grounds will reflect on this memorial and remember Pearl Harbor. We have proudly inscribed on this tablet our solemn oath:

"We the Survivors remember, you who gallantly fell we shall never forget."

If my wonderful partner, my gracious wife Marion will please honor us, I shall ask Mr. Bryon Thomas, 96 years young, and Mr. Marve Ziegler, California Chapter 31, to assist in placement of our Mailie Lei.

"So long as we remember the brave, they do not die."

ALOHA

PHSA Honor/Memorial Fund

By Nat'l Secretary Ken Creese

At its meeting on October 17, 1991, the PHSA Executive Board recognized a need for a means of accounting for gifts, donations and bequests which are offered by individuals and organizations (corporations, associations, etc.) in honor of and to memorialize the Pearl Harbor attack and the members of the Armed Forces who defended their country on December 7, 1941. Typical of such offerings are gifts dedicated to a particular person or donations in lieu of flowers on the death of a survivor. The Board desired that such receipts be formally acknowledged by the Treasurer in behalf of PHSA and segregated from income from dues and subscription fees to observe the restrictions placed upon such revenue.

The Board authorized the Treasurer to establish accounts for a PHSA Honor/Memorial Fund to receive money and property given by donation or bequest to honor

members of the Pearl Harbor Survivors Association or other persons who participated in the defense of the United States at the attack on December 7, 1941. The Board decided that until the general membership had confirmed the desirability of establishing a PHSA Honor/Memorial Fund that expenditures should not be made from the fund except where the provision of a plaque at the U.S. Coast Guard Academy required support. The Board stated an intent to expend all receipts into the fund within the anticipated life of PHSA

and not to create an endowment or trusteeship for funds received into the Honor/Memorial Fund. Expenditures authorized by the Board will recognize terms or restrictions placed on donations by the donor not in conflict with National Constitution and By-Laws but not for the benefit of specific individual(s).

On December 4, 1991, the Executive Board confirmed its previous action and directed that its decisions be communicated to the general membership for endorsement at the 1992 Convention.

Robert McClintock, Jr. For National Vice President

The Past National Secretary, Robert McClintock, Jr. wishes to announce his candidacy for the office of National Vice-President for election at the National Convention in Little Rock, Arkansas in December 1992.

Mac joined PHSA in 1970 and is a Life Member of the Association and a Member of Central Florida Chapter 2. He served in all offices of the Chapter and was Chapter President for over 8 years. He was elected to the Office of Florida State Chairman in 1981 and served in that capacity for 5 years. During this tenure Mac organized 2 new chapters and was responsible for a marked increase in Chapter and National Membership from both in and out of the State. A regularly scheduled State Convention was initiated by Mac with the first held in Orlando in 1985.

Enlisting in the Navy in 1936 and serving in USS Aylwin (DD355) at the time of the attack on Pearl Harbor, he retired after 24 years service. He was employed in industry as a Quality Engineer since 1959, is a member of the American Society for Quality Control, the National Council for Industrial Management, and of Elks Lodge 1079. He is also a member of the Military order of the Purple Heart, the Fleet Reserve Assc. and a Life Member of the Retired Officers Assc. He has since retired from industry.

Mac has attended many con-

ventions and reunions, both National, District and State. He served as Assistant to the Sixth District Director in 1985 and 1986.

Serving the unexpired term of the incumbent National Secretary in 1986, Mac was re-elected for 2 full terms and served for 5 years. During this time he initiated changes that resulted in substantial cost savings to the Association and restored the responsibility as Business Manager to the Secretary's office.

Most importantly, he increased the services to the Membership throughout the Association.

"I believe the National Vice-President's office is of prime importance to the Membership and to the Association and I believe that my tenure as the National Secretary has given me the experience I need to fulfill the duties of that office.

I believe, also, that there is no room in this organization for filling positions purely by political process, however, I believe there is room for dedicated and loyal members who are qualified and have the desire to serve the Pearl Harbor Survivors Association.

I would like to be counted among these."

Mac and his wife Margie live at 3215 Albert Street in Orlando, Florida 32806 and his phone is (407) 423-8344.

Oral History Project

If you are travelling to Darwin for the 1992 War Service Memorial Year, the Oral History Unit of the Northern Territory Archives Service would like to hear from people who were in the Territory during the Second World War, particularly if they were serving with the armed forces.

The Archives would like to record interviews with some of these people for inclusion in the Northern Territory's Oral History Collection held at the Archives. These interviews are a valued source of information for researchers, writers, broadcasters and others with an interest in the Territory's history.

If you would like further details, please contact the Archives at: GPO, Box 874, Darwin, NT 0801 - Telephone (089) 89 5188 - Fax (089) 41 1458.

PHSA Marathon Runner

On November 3, 1991 I ran in the New York City Marathon wearing my PHSA cap. The purpose was to remind the spectators, and the younger runners, that the attack on Pearl Harbor took place fifty years ago and should not be forgotten nor should those who were killed that terrible day.

Apparently I was the only survivor who ran in this race. If there are other long-distance runners amongst our members I would like to hear from them.

I finished in a leisurely manner; the time was 5 hours, 26 minutes because of too much talking along the way to spectators. I achieved my purpose: Remember Pearl Harbor - Keep America Alert!

Bob Greenleaf
243 Holyoke Road, Westfield, MA 01085-1719

Notice

Many Survivors have sent in articles that were printed in local newspapers and asked that they be printed in the next Pearl Harbor Gram. If I were to do that, I could fill many Grams. I cannot print one and push the others aside, so none will be printed.

Also, many Survivors have sent in stories about their personal experiences on December 7, 1941. I also do not print them because again I could fill many Grams with those accounts.

Pearl Harbor Remembrance Day

Shown talking with the Honorable Guy Hunt, Governor of Alabama, after he signed a proclamation proclaiming December 7, 1991 as Pearl Harbor Remembrance Day, is the PHSA National Chairperson of the

Many Thanks from the National Storekeeper

During the 50th Anniversary at the Sheraton Waikiki, we had Small Stores and the Display of Artifacts/Memorabilia open for six days. We had approximately 7,000 people come through our doors, including Japanese tourists and TV reporters who did interviews and took photos of the items. This was our largest Convention/Reunion ever and required many volunteers.

I want to especially thank my wife, Eva, who not only worked full time in Small Stores, but she is my right arm. Thanks to Burt and Ali Williams who helped during this entire time; Don Jones, George Cooley, and Marv Ziegler for assisting in set-up, tear-down, and sales; Ray and Jinny Emory for transportation; Don Spitzengel, Del Black and George Blake who helped control foot traffic at the Small Stores door. I could not have done this enormous

job alone without those mentioned here. If I have forgotten anyone, please forgive. During the hours that Small Stores was open, most of the volunteers had to eat lunch as they worked (no lunch hour).

Our "civilian" vendors who occupied two additional rooms were also most helpful and were successful in their sales of which a percentage is being donated to our Association.

Many Survivors have never attended a National Convention/Reunion and were astounded that we have such a collection of artifacts. We received many favorable comments on our Display. At this Reunion, several new artifacts were donated. If you have any items of interest that you wish to donate please advise this Storekeeper. All items are on display at all of our National functions. —Ed Chappell

216th Birthday of the US Navy

By James H. Moe
California State Secretary

Sacramento Seapower Association sponsored the 216th Birthday Ball at the Officer's Open Mess, Mather Air Force Base, Sacramento, California on October 19, 1991. Dinner was limited to 350 which included 50 Pearl Harbor Survivors and wives.

Survivors were the last to be seated and were formally piped aboard and their names announced.

California Chaplain Frank Solomon was Chairman of the event. Founding Father Mark Ferris was Keynote Speaker. Mrs. Samuel Clower was in charge of decorating the banquet room, and Samuel Clower (19th Infantry, Schofield Barracks) made replicas of the USS Arizona out of styrofoam and placed them on blue glass as table decorations.

Army Air Corps

Willard C. Buska is looking for Survivors who joined the Army Air Corps in Milwaukee, Wisconsin from Walworth. They all worked at Alimite in Woodstock, Illinois; joined the Army Air Corps in Nov. 1940; went to Jefferson Barracks, Missouri and then to Hickam Field. He needs help on a claim. Rooftop Gunners

John Robert "Bob" Sawdon was on the roof of the receiving barracks during the Japanese attack on Dec. 7, 1941.

On a two hour report on Pearl Harbor on ABC-TV on December 5th or 6th there was a short shot of an officer who said he was on top of a building during the attack. He is wondering if this was the young man he was with.

We know there were several groups of men of Ford Island that were given rifles and led to various rooftops. If you were on the receiving barracks roof, contact Bob Sawdon at P.O. Box 128, Decatur, KS 67653. Phone (913) 693-4594.

Vavs Award

The names of both Harold "Sarge" Cook and his wife Lucille were mentioned in the Congressional Record of May 7, 1991 for service to the Nation's hospitalized veterans.

At that time Sarge Cook had performed over 15,000 hours and Lucille Cook over 20,000 hours of service at Bay Pines, Florida VA Medical Center.

On April 17, 1991 in a Volunteer Recognition Ceremony at Sheraton Sand Key, Lucille Cook was awarded the VA Silver Tray "James H. Parke Achievement Award" for 20,000 hours service, and Sarge Cook was awarded the VA Gold Medallion "Exceptional Honor Award" for 15,000 hours service.

Pearl Harbor Survivors Association, Inc. Financial Statements

INDEPENDENT AUDITOR'S REPORT - NOVEMBER 29, 1991

To the Board of Directors - The Pearl Harbor Survivors Association, Inc.

I have audited the accompanying statement of assets, liabilities, and fund balance-cash basis of The Pearl Harbor Survivors Association, Inc. as of September 30, 1991, and the related statement of revenue, expenses, and changes in fund balance-cash basis for the year then ended. These financial statements are the responsibility of the Association's management. My responsibility is to express an opinion on these financial statements based on my audit.

Except as set forth in the following paragraphs, I conducted my audit in accordance with generally accepted auditing standards. Those standards

require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

I was not present to observe the taking of the physical inventory at September 30, 1991 (stated at \$7,370), and the Association's records do not permit adequate retroactive tests of those inventory quantities.

As described in Note 1, the Association's policy is to maintain its records on the basis of cash receipts and disbursements; consequently, certain revenue and related assets are recorded when received rather than when earned, and certain expenses are recorded when paid rather than when the obligation is incurred. This basis is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, except for the effect of such adjustments, if any, as might have been determined to be necessary had I observed the taking of the physical inventory, the financial statements referred to in the first paragraph present fairly, in all material respects, the assets, liabilities, and fund balance of The

Pearl Harbor Survivors Association, Inc. as of September 30, 1991, and its revenue, expenses, and changes in fund balance for the year then ended, on the basis of accounting described in Note 1.

My audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. Schedules A through H are presented for the purpose of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, I express no opinion on them.

**NOTES TO FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 1991**

NOTE NO.

1. SIGNIFICANT ACCOUNTING POLICIES

The Association is a nonprofit tax-exempt entity as defined under Section 501 (c)(19) of the Internal Revenue Code. The Association is federally chartered and is operated exclusively for purposes beneficial to the interest of the nation and its uniformed services personnel, their dependents and survivors.

The accompanying financial statements have been prepared principally on a modified cash basis, with the following exceptions: (a) Deferred Life Membership Dues are recorded as they accrue over a ten year period; (b) Prepaid Convention Expenses are deferred until the year of the convention and the fees received for the convention are shown as convention deposits until the year of the convention; (c) Interest income on zero coupon bonds is recorded as earned (See Note 3); and (d) Prepaid insurance is recorded and expensed over the life of the policy.

Inventory is priced at lower of cost or market value, on the first-in-first-out method.

2. DEFERRED LIFE MEMBERSHIP DUES

Current Deferred and Long-Term Deferred Life Membership Dues are carried as liabilities. Life Membership Dues are presently amortized over 10 years where as Annual Membership Dues are recognized in the year received.

3. ADJUSTMENT TO FUND BALANCE

Under current accounting guidelines nonprofit organizations are now required to depreciate long-lived tangible assets such as furniture and equipment. Accordingly, the Association has recorded depreciation for the current year of \$295 and \$6,083 for all prior years. The \$6,083 has been shown on the attached financial statements as a reduction to Fund Balance.

4. RELATED PARTY TRANSACTIONS

The Association pays rent to certain of its officers for the use of space in performing their duties.
