CHRISTENING AND LAUNCHING OF
USS PEARL HARBOR (LSD-52)

By Jim Green
Submarine Base
Ohio State Chairman

It was a beautiful sunny Saturday morning of February 24, 1996, as our three bus loads of Pearl Harbor Survivors wound their way down highway I-10 through New Orleans, Louisiana and across the Huey Long auto/railway bridge to the west bank of the mighty Mississippi River delta; our destination, the huge Avondale Shipyards. We entered the shipyard and were greeted as we stepped down from the buses in front of the Avondale administration building by many naval officers (ensign through admirals) and the top ranking gentleman himself — the Chief of Naval Operations, Admiral Jeremy “Mike” Boorda. It was a great pleasure to meet him and shake his hand.

That was a day that 73 Pearl Harbor Survivors will never forget. It was truly a joyous and tearful event for everyone.

The survivors were introduced to the over 600 other military and civilian honorees who were invited to the christening and launching of our ship, the USS Pearl Harbor. The entire congregation stood and applauded the survivors for over four minutes. I thought that they were never going to quit. It was really great to be recognized in such an honorable fashion from so many at one time.

Along with Admiral Boorda was the Florida U.S. Congressman, Bill Young and his wife Beverly Young, the sponsor of the USS Pearl Harbor; the first Commanding Officer of our ship, Commander James Bird; and his Executive Officer Lieutenant Commander Crow. Now there’s a combination, a Bird and a Crow. They should surely fly over the seas in their new ship. We wish them well.

At the presentation of the painting of the USS Pearl Harbor to the officers and crew, our National President Robert McClintock Jr. reminded everyone that PHSA is made up of members of the military organizations of the U.S. Army, the U.S. Marine Corps, the Army Air Corps, the U.S. Coast Guard and the U.S. Navy who were serving on stations on the Island of Oahu on December 7, 1941 during the sneak attack by the Japanese.

He stated that we must remember first, last and always that although our USS Pearl Harbor will be an active and mobile member of the U.S. Fleet, she will also be a moving memorial to all members of the military services who were victims of that attack.

I had a nice talk with Admiral Boorda and Commander Bird after the ceremonies and I suggested that it would be appropriate that her commissioning site could be in Pearl Harbor, Hawaii in 1998 when she is scheduled to join the U.S. Naval Fleet. Imagine the elation the people of Hawaii would exhibit on their small island of Oahu. A historical and a very happy occasion.

I also suggested to Commander Bird that the USS Pearl Harbor be considered a prime candidate as the lead ship in the Parade of Ships around Ford Island and rendering honors as she passes by the USS Arizona Memorial in the year 2001, the 60th anniversary of the attack on Pearl Harbor. But the 60th anniversary is five years away. We'll see.

When the christening champagne bottle (released by Mrs. Beverly Young, the ship’s sponsor), slid down its trolley wire and impacted the white circle target on the Plimsoll line and exploded, every one was on their feet and clapping and cheering. Then the USS Pearl Harbor started to move forward very slowly, pulled by a tug boat for a few feet to release her from her mooring blocks and she was free from her earthbound cradle, supported in the water by her own magnificent hull.

She stopped dead in the water for a few seconds and then she started to move astern slowly, towed by a tug boat off her stern, as the bow tow-line was released. She was soon free from her drydock of six months and she moved gracefully into the waiting arms of the mighty Mississippi River, where she took on the majestic awe of a moving memorial to all Pearl Harbor Survivors and in remembrance to those shipmates who perished at Pearl Harbor on December 7, 1941.

GOTTA MINUTE?

1. The response to the “Save the Hogs” has been beyond early expectations. Donations thus far have been from $10.00 to $500.00 and are continuing to come, indicating an acceptance by the Membership for the Fund Drive and the rules that control the donations.

2. Have any of you Dudes ever had a hip replacement?? I did in January and the parts they put in my hip looked more like the upper control arm of an auto front steering and suspension ball and socket. It’s working real good, though, and they say I can get spare parts at any auto parts store.

3. Sometimes a little controversy, that creates unnecessary problems for the Administration, creeps into our organization. This simply takes away valuable time that would otherwise be devoted to the good of the Membership. Think about it!!

4. O... say... one of our Members wrote a very strong letter to me, but neglected to sign or give his return address. I feel bad that I can’t answer him... I guess he must have had a lot of trouble with the composition and just forgot. It’s easy to identify people who can’t count to ten. They are in front of you at the supermarket express lane.

5. Think about loyalty, conscientiousness, honesty beyond question, dependability, intelligent response and 100% devotion to duty.

Do this for your organization for 24 years and you have Ed Chappell, our Storekeeper. Yep, 24 years running our Small Stores. Please accept my congratulations, Ed.

Robert McClintock

USS Pearl Harbor Christening & Launching

Continued from Page 1

She has joined the largest and mightiest naval fleet in the world as its newest member, to make her place in history not as a ship built for destruction and devastation, but as a memorial to remember the past. She will make her presence known all over the world and in every port she visits she will leave a memory to all who see her that her name bears a part of history that should never have happened, but did. It is a memorial that such may never happen again.

She may begin to relearn the thinking of human beings in regard to peace throughout the world. May God bless America, the USS Pearl Harbor, her commanding officer and her crew. They sail in a hull that will haunt the world where ever she cruises.

The Death Notice (Form 15) published in the February GRAM has already produced results. Chapter Officers: The Form 15 is for the use of the surviving spouses. If your chapter needs Form 15, please drop a note or call your National Secretary.

Just a reminder that all checks shall be made out to PHSA, INC. with an indication of what the payment is for — dues, GRAM, Memorial Fund, etc.

All checks should be sent to the National Treasurer except the initial check for an Application for Membership and the Initial Payment for a GRAM Subscription.

Does your calendar, on December 7, 1996, indicate “PEARL HARBOR REMEMBRANCE DAY?” If not, a letter to the calendar company usually corrects this oversight.

For The Record

By Bob Watson
Gram Editor

Some California Chapters have run an item critical of actions of the National President and of the Pearl Harbor Gram. This is to correct these irresponsible remarks.

1. "... stated the article in the February issue of the Gram concerning the Committee of the Future was voted down at the last Executive Board meeting and should not have appeared in the Gram." That is not true. There is absolutely no such information in the minutes of the September 1995 meeting in Las Vegas. Articles from the Committee will continue to be published.

2. "... our National President has become President of the PEARL HARBOR SURVIVORS ASSOCIATION FOUNDATION, INC. It should be understood by all members of PHSA that all ties to this Foundation were severed at the National Convention in Albuquerque, New Mexico by majority vote of the members present."

Basically true except it was done at the National Convention in Tampa, Florida in 1994. However, Robert McClintock was elected as a Survivor, not specifically because he was National President of PHSA.

3. "... our National President has taken it upon himself to become Chairman of "Save the Hoga Fund" ... however, he has gone so far as to run the story on the front page of the Gram and solicit donations for this project when this effort was turned down at the last Executive Board meeting for lack of estimated costs to repair/restore the Hoga."

Again, that is not true. At the Las Vegas meeting the Executive Board voted to not contribute Association money to the Fund.

After some discussion, it was UNANIMOUSLY approved for the National President to head a committee to solicit contributions "from Survivors, Surviving Spouses, Sons and Daughters and non-member Gram subscribers" for the "Save the Hoga Fund" on the basis that funds received be deposited in a special account and remain there until it was definite that the Hoga would go to Pearl Harbor. At that time the funds could be transferred to the "Save the Hoga Fund" at the Arizona Memorial in Pearl Harbor. If the Hoga does not go to Pearl Harbor, all contributions will be returned to the contributors or their heirs.

After the meeting, the National President requested the Gram Editor to be a member of the Committee, and I agreed. Everything done has been according to the Executive Board authorization.

The Survivor quoted as making the statements told me, the National President and the National Secretary that the words were not his words.

Veterans of Chillicothe, Illinois held their eleventh annual Pearl Harbor Memorial Service December 3 on the bank of the Illinois River. VFW Post 4999, American Legion Post 9, AMVETS Post 77, and their Auxiliaries, were joined by other visiting veterans organizations as well as the public. Chillicothe’s volunteer fire department used their rescue boat to take the president of the VFW Auxiliary and a representative of the S&D PHS out on the river to cast wreaths upon the water in honor of those buried at sea and on foreign soils. Chillicothe’s IVC Marching Grey Ghosts band buglers opened the service with the National Anthem, and closed with Taps, followed by a 21-gun salute.

USS John F. Kennedy Tour

By Alex D. Cobb Jr.
16th Coast Artillery, Ft. Ruger
A select group of Pearl Harbor Survivors, plus sever-
al wives and guests of Survivors, were treated to a
dockside tour of the USS John F. Kennedy, the large aircraft
carrier that recently replaced the USS Saratoga, which was
decommissioned and subsequently headed for the
Atlantic Coast scrap yard.
The tour was arranged through the ship’s Public
Affairs Office by Captain
Gerald Hoewing, Command-
ing Officer of the Kennedy.
Hoewing was acting upon
a request by Survivor Alex
Cobb, who although he is an
old Coast Artilleryman, still
has an avid interest in the
Navy after floating around in
the Pacific Theater during
World War II from the begin-
ing at Pearl Harbor to the final battle of the war in the
Pacific, on Okinawa.
It was the Navy that got
Alex and his fellow Army
personnel to all those Pacific
islands so they could fire
their anti-aircraft guns.
Representatives of the
ship’s Public Affairs office
who were present for the tour
were Lt. Harris Mora, and
Journalist Second Class Jason
Pederson, who served as tour
guide.
Up on the flight deck,
which is 1,023 feet long —
longer than three football
fields — it is an awe-inspir-
ing sight to look out over the
expanse of decking and real-
ize the deck personnel can
launch approximately four
planes a minute. That’s a
launch of one plane every 15
seconds, so you’d better be
on your toes!
Members of the local Pearl
Harbor Survivors chapter
who participated in the hour
and a half tour were Chapter
Secretary Jules Buzar, and his
wife Joan; Chapter Six Presi-
dent and former Florida
State Chairman Alex Cobb,
and his guest; former Chap-
ter Vice President Chuck Ellic
to and his guest; former Chap-
ter President and former
Florida State Chairman Fred
Guest; Harry Smith of Nept-
une Beach, former crew
member on several aircraft
carriers during WWII; and
past Chapter President and
current Chapter Treasurer
Billy J. Zachary, and his wife
Donna. Several other mem-
bers were unable to attend
due to bouts with the flu.

Florida Interstate Highway Honors
The Memory Of Pearl Harbor

By Fred H. Guest
Northeast Florida Chapter 6

Florida Interstate Highway 10 that originates in Jack-
sonville, Florida and runs to the Alabama State Line was offi-
cially named the “PEARL HARBOR MEMORIAL HIGH-
WAY” on November 6, 1995 when simultaneous dedications
were held in Jacksonville, Florida and Pensacola, Florida.
As a result of persistent efforts by Florida State Chairman
Frederick F. Couture and his committee, and the sponsorship
of the Legislation by Florida State Senator William “Bill”
Bankhead, the 1995 Florida Legislature approved the naming
of Interstate 10 the “PEARL HARBOR MEMORIAL HIGH-
WAY.”

The Jacksonville Ceremony was attended by 125 Survivors,
including members from Florida Chapters 2, 6 and 15; wives,
Sons and Daughters PHS, and other dignitaries.
Florida State Chairman Couture introduced National Presi-
dent Robert McClintock, Jr. who briefly remarked that Florida
is second to Arizona among the states to honor the brave men
and women who gave their lives on December 7, 1941 during
the Japanese attack at Pearl Harbor. He expressed hope that
other states would join in the coast-to-coast link of highway
systems to bear the name “PEARL HARBOR MEMORIAL
HIGHWAY.”

Featured Speaker, Florida State Senator William G. “Bill”
Bankhead described the dedication as “a lasting tribute to
those living and dead veterans who paid a price for the
preservation of freedom. This dedication today is but a token
of our thanks to them.” Senator Bankhead and State Chairman
Frederick Couture together unveiled a maroon sign with yel-
low lettering proclaiming the new designation, one of many
that will be erected along the length of the east-west interstate
and in the Welcome Stops. After the unveiling of the sign,
Mrs. Mary Couture, escorted by PHS Chapter Six members,
placed a wreath in front of the sign.
Meanwhile, Pensacola Chapter 9 held a simultaneous, ded-
ication in the Florida Welcome Station just east of the Alaba-
ma state line. The Pearl Harbor National Organization was
represented by National Vice President Ben Begley. Following
a welcoming speech by Chapter 9 Treasurer Jay Carraway,
President of Pensacola Chapter 9 John Cummings led the
group in the Pledge of Allegiance. The Invocation was offered
by Commander Hicks, Chaplain, Naval Air Station, Pensacola.
The sign designating Florida Interstate 10 as the “PEARL
HARBOR MEMORIAL HIGHWAY” was unveiled by Nation-
al Vice President Ben Begley. The principal speaker for the
ceremony was Florida State Senator W.D. Childers.

From The Editor

My apologies to SW Florida Chapter 5 and to the six boosters on page 19 of the February Gram that were erroneously printed on a black and white page instead of in color. I have added one additional print to each.

In the February Gram article about Babe LaMalfa on page 36, he was shown as being in the 21st Infantry Div., Schofield Barracks. His correct unit was the 19th Infantry Regiment.

In the photo of boot camp Company 41-94, NTS San Diego Louis M. Estrada was shown in VJ-1 NAS Ford Island. He was actually in VJ-2.

In the May 1995 Gram new Member Edward Steinfield was shown at Pau-loa Point but his correct unit was U.S. Naval Mobile Hospital #2.

In the August 1995 Gram new Member James A. Nofziger’s last name was spelled incorrectly and he was shown at the 14th Naval District, but he was in the U. S. Marine Corps at the Marine Barracks.

In this Gram the page of 50/50 door prize tickets on page 15 has been perforated for easy removal.

The 1996 National Convention registration form is on page 21, and has been perforated for easy removal.

Also, on pages 25 and 26, the two-page advertisement for Turner Publishing Company, has been perforated for easy removal.

Survivors Support New Navy Chapel

By Ralph Lindenmeyer
A&R NAS Ford Island

The ground-breaking ceremony for the new Naval Amphibious Base “Chapel from the Sea,” took place in Coronado California on Sunday afternoon, January 21, 1996.

Among the many Naval and Civilian dignitaries present was a large contingent of more than 30 Pearl Harbor Survivors and wives from San Diego, Chapter 3.

Under a warm January sun many high ranking officers and enlisted men, armed with shovels and hard hats turned over a mound of Mother Earth, signifying the start of the new structure.

Because of Navy downsizing, the new Chapel will be built in its entirety by members of a Mobile Seabee Construction Battalion stationed near by. It marks one of the few times that construction of a building on a U.S. Naval Base inside the continental U.S. had been ordered. The Chapel is scheduled for completion by early fall.

Pearl Harbor Survivors of Chapter 3 were invited to this prestigious affair by Captain E. W. Kelley, Commanding Officer of the Naval Amphibious Base.

Arizona Howard E. Brannon Chapter

By Stanley C. Blaker

Howard E. Brannon Chapter 1 Members attended a December 7 ceremony at which the signs making Interstate 10 the Pearl Harbor Memorial Highway were dedicated.

In the photo are State Representative Marilyn Jarrett, sponsor of the bill; Leo Mahoney (brother to our President Ed), state committeeman from Mesa who got Representative Jarrett in the first place; Chapter Vice President Bill Rey; and Chapter Secretary Steve Shemelync. Bob Widmark somehow missed getting into the photo but he and the last three in the photo were the committee who got the thing started and followed it to the end.

The signs are Up!

Candidate For National President

Ben C. Begley announces his candidacy for the office of National President. The election will be held in December 1996 in Honolulu.

I have served this organization for 30-plus years in most all positions in three states and will be finishing 6 years on the Executive Board. I have been Host to state, district and, national conventions.

I pledge to continue my dedication and endeavors to keep active in all phases of PHSA.

I think it’s time we gave the Membership a voice in the Organization. I believe my tenure of duty and background knowledge gives me the experience I need to fulfill the duties of that office.

I’m willing, able, ready and qualified. I would appreciate your support at the convention in Honolulu, December, 1996.

Candidate For National Vice President

Robert S. "Bob" Kronberger seeks election to the office of National Vice President at the PHSA National Convention in Honolulu, Hawaii in December 1996.

A founder and life member of PHSA, he was one of the nucleus of three that was responsible for the original gathering of the eleven recognized “Founding Fathers” that led to the formation of the Pearl Harbor Survivors Association, Inc., in 1958. A U.S. Navy Retiree and California Resident, Bob served as member of California Chapter 1, President of California Chapter 21, President and Trustee of California Chapter 29, his current chapter.

Bob has travelled extensively throughout California, Hawaii, Alaska and Nevada during his tenure as California Vice Chairman South and First District Director. He has been active in PHSA affairs since the organization conception. He has visited chapters throughout the continental U.S and Hawaii.

He has attended most of the National and California State Conventions. He is a much sought after public speaker and writer. His writings have appeared in many newspapers, Masonic and ELK, publications as well as PHSA and veterans newsletters.

Bob, his brother Edward and Father “Sam” Kronberger were all aboard the USS West Virginia, BB-48 on December 7, 1941 at Pearl Harbor. All three were among the original “Founding Fathers”. Bob retired from the U.S. Navy in December, 1970. During retirement he worked as Project Engineer for Litton Ships Systems, Advanced Technology Division and Program Manager for Hughes Aircraft Co. Ships Support Systems.

Bob Kronberger seeks your valued support in keeping our organization intact until we ourselves, as members, feel that we can no longer maintain a viable organization, and only then and to only those that we feel can properly promote our objectives and tenets.

We must continue to remind our Great Nation to “REMEMBER PEARL HARBOR AND KEEP AMERICA ALERT!”

Candidate For National Secretary

Julius A. Finnern, Incumbent, announces his candidacy for re-election as the Pearl Harbor Survivors Association, Inc. National Secretary.

He is a charter member of the Charles Blazek Wisconsin Chapter I in 1963, serving as the initial Chapter Treasurer. Service to the PHSA, Inc. includes multiple terms in all chapters and state offices and four terms as the 5th District Director.

He was elected National Secretary in 1992 and re-elected in 1994, serving the Pearl Harbor Survivors Assn., Inc. with an uninterrupted string of elected officers for a possible record of 33 years.

His wife, Inge, who shares his love for the PHSA, Inc. volunteered to become the Recording Secretary for the late Granville (Hall) Pickard, then National Secretary, after becoming upset when she learned recording secretaries were hired on site and paid by the hour and transcribed pages. Robert McClintock, then National Secretary, also requested her assistance. Inge is a true volunteer and a professional secretary. Her services cost the PHSA, Inc. nothing.

All things considered, the best team for the job is already on the job, so why would anyone want to move this office to another location at a cost of approximately $2,000 when there is a strong possibility of merging this office with either the Treasurer or Vice President within the next two years.

As always your support is appreciated and will be again in Hawaii, 1996.

Florida Gold Coast Chapter 4

About 50 members of Gold Coast Pearl Harbor Survivors Association and their families participated in a traditional commemorative December 7th ceremony honoring the 54th anniversary of the Pearl Harbor bombing.

Hosted by Discovery Cruise Line aboard the Discovery I, the ceremony featured a memorial address delivered by Rear Admiral Nick Gee, USN (Ret.). Members recalled personal experiences and acknowledged each other through a formal roll call.

Fallen comrades were honored with the traditional playing of taps, a 21-gun salute provided by the American Legion Post 142 and the symbolic wreath toss — courtesy of a Broward Sheriff’s Office helicopter flyover.

Survivor’s Totem Pole

By Chuck Mallon Chapter Secretary

Silver State Chapter 1 conducted a Pearl Harbor essay contest for eighth grade students in the Carson City schools.

In the photo Jake Furlong reads his winning essay to Members assembled. He received a $100 savings bond from the Chapter on December 7 at the Chapter 54th anniversary ceremony.

Nevada Silver State Chapter 1

Survivor Louis Trantales (USS Pennsylvania) of Orange, Connecticut after reading a book about totem poles, kept in the back of his mind that one day he would make one.

The day finally arrived when he purchased a 300-pound solid block of lumber and went to work with everything from a chainsaw and a mallet to chisels and sandpaper.

The result was a 9-foot-tall totem pole topped by an enormous thunderbird with spread wings. It also depicts Native American symbols of a raven, a brown bear and a salmon.

District Director

Many noteworthy accomplishments have and are now taking place. Florida State Chairman Fred Couture was successful in getting the state legislature to pass a bill designating U.S. Interstate Highway 10 as the “Pearl Harbor Memorial Highway”. This is part of an effort to hook-up Interstate Highway 10 from coast to coast. Florida state representative Joe Arnall sponsored the bill and attended the dedication at a Jacksonville rest area where one of the highway signs was installed. National President Mac McClintock was present, and National Vice President Ben Begley presided at a joint ceremony in Pensacola November 6.

Florida Chapter 15 and Joe LeCenier in particular did a commendable job in financing and installing a PHSAR memorial monument at the Bushnell National Cemetery on December 7.

Fort Gillam. The quality of the food was exceeded only by the entertainment provided by John’s family.

Georgia Chapter 3 Member Durwood Swanson has a bill pending in the state legislature to dedicate Highway I-85 Pearl Harbor Memorial Highway.

A Georgia committee was recently elected to acquire financing for a PHSAR memorial monument to be placed in the Marietta Memorial Cemetery by December 7, 1996.

South Carolina State Chairman Jim Covington and Members are undertaking a project to have memorial bricks with PHSAR Member names inscribed at the memorial. They have them in the Veterans Memorial Park in Columbia, South Carolina.

As some of you know, your Sixth District Director has been engaged in a bout with cancer the past ten months. We had hoped to win by a knockout in the early rounds. However, recent tests indicate that we may have to go into later rounds. Rest assured that each time the bell rings I will be out of my corner facing my adversary. Your prayers and concern have been appreciated. It is most comforting to know that I have people of such character in my corner.

Eighth District News

By Arthur Schreier
District Director

Connecticut
State Chairman, Frank Stebbins

Jim Fitzgerald, State Chairman Frank Stebbins, Tom Nerkowski, Archbishop for all the military services, Eighth District Director Arthur Schreier and Chapter President Harold Slater were in attendance at the Red, White and Blue Memorial Services. Connecticut is one of the very few Chapters in the District that meets monthly year round. Due to the inclement weather, turnout has not been up to par.

A bill was enacted in the State Legislature naming the bridge across the Quinnipiac River, at the north end of New Haven harbor, the Pearl Harbor Memorial Bridge. The Chapter is now involved in having appropriate signs erected to publicize this fact.

In February, Chapter Members and their Ladies were invited to a slide show, talk and discussion concerning the sneak attack on Pearl Harbor. This presentation was sponsored by the Darien Community Association Book Club. The featured speaker was to have been Henry Berry, author of the book “This Is No Drill”. Unfortunately illness prevented Mr. Berry from appearing. Evans Kettigan, author of eight books on American Medals substituted and in addition to his remarks on the Nations Medals also addressed the matter of Pearl Harbor, a subject on which he is quite knowledgeable. Following his remarks each of the members attending were asked to recount their recollections of their experiences on that “Day of Infamy”. We had a very attentive and appreciative audience.

At the March meeting, held on St. Patrick’s Day, members enjoyed our traditional corned beef and cabbage dinner. Members not wearing a bit of the “Green” donated a dollar to the Chapter Treasury.

On December 7 VFW Post 6293 and American Legion Post 197 of Yarmouth, Massachusetts dedicated the “PEARL HARBOR STONE” at Smuggler’s Beach, Bass River, Yarmouth. The stone is a monument to keep alive the history of what occurred on December 7, 1941.

The eight Survivors who attended this event lined up along the stone and were introduced to the 1,000 plus who came to observe the dedication. The monument is in a section of Smuggler’s Beach designated as the “Veterans Memorial Park”.

State Chairman Walter Maciekowski, escorted by the Commanders of the VFW and American Legion, cast a wreath from the pier into the Bass River. This was followed by the firing of three volleys by the Marine detachment and the playing of Taps. The Monument will be the site of annual services on December 7. Member John Manett represented the Chapter at the Pearl Harbor Dinner sponsored by the Minutemen Chapter AUSA at Fort Devens. On December 5 members attended Pearl Harbor Memorial Services sponsored by VFW Post 697

the Chaplain were followed by volleys from the firing squad
and Taps.

On December 7 Edward Robinson, Frederick Perkins and
William Sherman represented the Chapter at Pearl Harbor
Memorial Services sponsored by the American Legion in Nat-
ick.

The Chapter Executive Board is launching an all out effort
to procure a memorial plaque honoring the 35 Massachusetts
men who died as a result of the Japanese attack on the military
installations in Hawaii on December 7, 1941. Each of the 35
names will be cast in bronze. The Plaque will be installed in
USS Massachusetts, the State’s WWII Memorial, located at Fall
River.

New Hampshire
State Chairman, William Lefabvre

Members of the Granite State Chapter were saddened by
the death of long time and loyal member Bernard Alex-
knovitch. In the absence of the Chaplain, members Chaplick,
McDonald and Lefabvre conducted the Memorial Service at
the Wake.

The recently received New Hampshire Pearl Harbor license
plate has been very well received.

Chairman Lefabvre represented the PHSA on February 16
at the New Hampshire Veterans Administration Hospital for
the annual bed ridden patients there. Members are also doing
community volunteer work such as reading in class rooms
from 6th to 10th grades.

We touch on the historical part, such as the Japanese peace-
time attack on Pearl Harbor. We explain the hardships of any
war. We have also established a volunteer program at the Vet-
erans Administration with Bernard Matthews and Woody
McDonald in the kitchen and myself with the Bingo program

the VFW. The New York Conspicuous Service Medal was
presented to many of the Chapter members by the Governor’s
representative.

Mayors of Syracuse, Utica and Watertown met with mem-

Harbor Remembrance Day.

On December 7, 22 members and wives were guests of the
Arthur S. Moran Post 66 of the American Legion in Camden,
New York. The Post continued a five-year tradition of honor-
ing the Survivors on Pearl Harbor Remembrance Day. Past
Commanders of the Post assisted by the Auxiliary hosted a sit
down dinner which was first class.

We salute the Post and Auxiliary for making us feel so wel-
come.

Chapter 7 met on March 10th at American Legion Post 229

ing, which was well attended, a tasty meal was enjoyed by all
present. President Ed Stone is recovering nicely from a fall he

By Dexter M. Liles Convention Coordinator

The Second District convention, September 10-13, 1996 (Idaho, Montana, Oregon, Washington and Wyoming) will be hosted by Washington State’s Vancouver Chapter 3, for the 55th anniversary of Pearl Harbor’s day of infamy.

Headquarters will be at the “Red Lion at the Quay”, 100 Columbia Street, Vancouver, Washington, 98660, phone (360) 694-8341.

Tours have been planned for Mount St. Helens and a Paddle Wheeler river cruise on the Columbia River. More information concerning the tours will be available sometime in the Spring. The Paddle Wheeler will pick up the passengers at the Motel so no one needs to walk any distance. We hope that other Districts will put in an appearance and are encouraged to come. We would like very much to see our Sons and Daughters come also.

Survivor Fathered Triplets At 75

Other than being a Pearl Harbor Survivor and a stuntman in Hollywood when he was much younger, his main claim to glory is that he fathered triplets in April 1990 when he was 75 years old. His wife Mary Lou was 38 years younger than he.

They attracted international media attention when they had the triplets, Adele, Joy and Benjamin.

At the December 1993 meeting of Chapter 15, it was noted that PHSA was the only veterans group which did not have a memorial at the Florida National Cemetery in Bushnell. A lively discussion followed that disclosure, and Chapter 15 decided to do something about it.

Joe Lechner volunteered to look into ways of raising funds, one of which was to distribute reproductions of Honolulu newspapers published on December 7, 1941. Chapter 15 members came up with the necessary funds to have hundreds of the reproductions printed. Joe and Mrs. Lechner then visited every PHSA chapter in Florida, and solicited sales of the paper. Donations poured in from individuals and many veterans organizations.

By June of 1995, the monument had been ordered and plans were finalized for the unveiling on December 7, 1995.

On the dedication day, a large crowd of PHSA members and their families, National and State officials of PHSA, delegates and Honor Guards from several veterans groups, and other officials gathered in front of the colorful monument.

Alabama Memorial Services

By George L. Murray
State Chairman

On December 7, 1995, groups of Pearl Harbor Survivors met throughout the state of Alabama. Chapter Survivors held meetings in three locations:

In Northeast Alabama Chapter President Glenn McNell, and Chapter Secretary/Treasurer Bill Nestor, hosted a luncheon at Red Lobster Restaurant in Oxford, Alabama, with fifteen survivors and spouses in attendance:

Buford Barber, a Chapter Trustee, was host at a luncheon in South Alabama, at Pier 4 in Mobile, with forty survivors, spouses and friends attending.

Following lunch, the group moved to Battleship Park, outside Mobile, for a short ceremony at the Pearl Harbor Memorial there.

Lincoln Townsend, a Chapter Trustee, hosted a luncheon meeting in North Alabama, at the Holiday Inn, Madison Square Mall, in Huntsville, Alabama. Prior to the luncheon, a Candlelight Memorial Service for our departed comrades was conducted. There were twenty-five Survivors, spouses and friends in attendance. Mr. Townsend gave a live presentation on TV Channel 31 at 0600 hours, December 7, to explain the designation of December 7 as a Day of Remembrance.

Members of Alabama Chapter 2 met at Mister J's in Dothan, Alabama, for lunch. After lunch, the Chapter was presented an American flag (which flew over the National Capitol) by Congressman Perry Everett. This was requested by Robert Brion, Chapter Vice-President. Following this presentation, the survivors were honored by the Veterans Alliance Group of Dothan. Attending were Mayor Alfred Saliba; Chairman of the Houston County Commissioner Robert Cwonder; Head of Veterans Affairs from Montgomery, Alabama, Al Smith; the local Veterans Affairs Officer and other local notables. The Chapter was presented Proclamations from the City of Dothan and from Houston County. The meeting was covered by television, radio and the newspaper. Thirty-three Survivors, wives, grandchildren, friends and guests attended.

On December 7, 1995, the members of Washington North Cascade Chapter 5 were honored at the change of command ceremony for VAQ-141, at the Naval Air Station Whidby Island.

Another of our members was the speaker at a ceremony for the annual Fleet Reserve services at N.A.S. Whidby.

Prior to these ceremonies five members and their wives were taken out on the Coast Guard Cutter Point Richmond. President Glenn Lane of North Cascade Chapter 5 said a short prayer, and a wreath was laid in the waters of Rosario Strait at 9:55 a.m. in memory of those who died at Pearl Harbor 54 years ago.

The Department of Veterans Affairs has awarded a $1,326,900.00 contract to develop 3,650 new grave sites and other improvements to the National Cemetery at Fort Smith.

We had raised the funds to place a memorial a year and a half ago in the cemetery by the flag pole. This has been on hold.

We are delighted this project will likely be finalized this coming December 7th to honor all who gave their lives and served on Oahu on December 7, 1941.
Mini-Tiger Cruise Aboard The USS Comstock

By Bruce Klein
Assistant Gram Editor and California State Newsletter Editor

This article is being written by an old Army enlistee whose only experience with the U.S. Navy was aboard troop transports, LSTs and a picket boat. Sailors please excuse my lack of Navy parlance.

California Chapter 3 Special Events Coordinator Gordon Jones worked with Jason F. Griswold, MS/E6 of the USS Comstock (LSD 45) and arranged for a group of California Survivors to qualify for a Mini-Tiger Cruise — Camp Pendleton to San Diego December 22-23, 1995.

In order to qualify for this cruise the Survivors had to be in good physical health and be able to climb three flights of stairs. Gordon Jones had to disqualify himself because of leg problems.

The Survivors who made the cruise were Arie Korporaal (USS Helena), Duffie Clemons (2nd Defense Battalion, USMC), John Hancock (251st Coast Artillery, Camp Malakole), Ben Boosinger (USS West Virginia), Ralph Lindemeyer (A&R NAS Ford Island, Carl White (VP-24, NAS Ford Island), Walter Stevens (USS Dobbin), Arthur Kowalski (USS Pennsylvania), Robert Kronberger (USS West Virginia), Charles Preece (5th Bomb Group, Hickam Field), Randy Kippel (USS Raleigh), Bruce Klein (Quartermaster Det., Fort Kamehameha) and Stuart Hedley (USS West Virginia).

Our group of Mini-Cruisers was scheduled to meet at San Diego Naval Station Pier 13 at 10:30 a.m. for Naval bus transportation to the Camp Pendleton Marine Base. I believe we finally boarded the bus at 12:30 p.m. We had a 40-mile ride to Camp Pendleton and then had a wait until they unloaded all the Marines; and were able to load us aboard the Landing Craft Air Cushion (LCAC) for the trip to the USS Comstock which was anchored a few miles offshore.

The Survivor group wasn’t the only ones aboard the LCAC. There were several other adults and some children who were also going on the Mini-Cruise.

For readers who are not familiar with this LSD, The USS Comstock is the fifth ship of the Whidbey Island class and the third ship to serve in the Pacific Fleet. Comstock’s mission is to transport U.S. Marines, with their combat equipment, to designated areas around the world, and then to launch and support landing craft and helicopters during amphibious operations against hostile shores. The Comstock carries new Landing Craft Air Cushion (LCAC), which is an assault landing craft with the ability to exceed 40 knots while carrying a 60-ton payload.

The Comstock accomplishes her mission through the use of a well deck which is flooded to embark and launch landing craft. After leaving the ship, the assault craft are directed towards shore by the ship’s Combat Information Center (CIC). In addition, the Comstock has advanced communication and combat systems, 20 & 60 ton cranes, expanded repair facilities, two helicopter landing areas, complete medical and dental facilities and an automatic computer based supply system.

The Comstock was commissioned February 3, 1990 and is now in San Diego for repairs.

The complement varies, but on our Mini-Cruise there were 24 Officers, 5 of whom were ladies. The enlisted crew consisted of 324 men and 30 ladies. The Skipper is Commander Doug Whalen.

Because our Survivor group missed lunch, we were invited to the Ward Room for a specially prepared meal before the regular dinner hour. We were all invited to the enlisted mess to meet with the Skipper Doug Whalen and the Officers who would be our guides on the ship’s tour. We also met our sponsor Jason Griswold.

We were assigned sleeping quarters close to the Ward Room. I must say the sleeping facilities are much better than the ones provided for soldiers on WW II Troop Ships. We were given blankets, sheets, pillows and pillow cases. Everything went well — that is until some of us old fellows tried to climb into our top bunks.

Personally, I am glad I was in the company of First District Director Bob Kronberger.

He kept me posted on some of the Navy shipboard courtesies. He even told me and Army Air Corps Veteran Charlie Preece not to wear our caps in the Ward Room — unless we were armed.

Our four man group of Survivors was led on a ship’s tour by Lieutenant Edan Antoine, a recent Naval Academy Graduate. He was very thorough and answered all of our questions.

We toured the Bridge and the CIC and were apprised of all of the ship’s combat systems. An interesting note: Lt. Antoine re-enlisted Philip Walker on the Arizona Memorial in Pearl Harbor on 12-14-95.

One afternoon, while sitting in the Ward Room, I talked to a lady named Marge Connors. She was a Tiger Cruiser who, along with her son, boarded the Comstock in Hawaii. Marge seemed quite knowledgeable about the ship, its mission and the activities of the Officer and enlisted personnel. She told me how the crew was trained and entertained. Why the Navy Crew and the Marine Combat Troops got along so well; and that the Skipper had been an Army enlisted man and fought in Vietnam.

After discharge from the Army, Whalen went on for further education. Joined the Navy and served in Desert Storm. He was later promoted to Commander and became Skipper of the Comstock. I later found out that Marge Connors is Commander Whalen’s sister.

The Survivors were not charged for meals or accommodations. In appreciation for the crew’s cooperation and hospitality we took up a collection for the ship’s Recreation and Welfare Fund. We also took up collection for our sponsor Jason Griswold and his wife Beth who just welcomed a new baby.

All in all, this Mini-Tiger Cruise was a trip to remember. In addition to meeting some nice Navy people, we had an opportunity to meet old Survivor friends and to make some new friends.

Each member of our Mini-Tiger Cruise group received a colored photo of the USS Comstock and a certificate showing that each of us qualified as a TIGER SURFACE WARFARE SPECIALIST.

We understand Gordon Jones is working on a Mini-Cruise aboard the USS Harpers Ferry, sister ship to the USS Pearl Harbor. If it all works out, he will invite as many Survivors from other Chapters as possible.

Northern California Joint Chapters Meetings

By John S. “Sid” Kennedy
President California Chapter 2

The Northern California Joint Chapters meeting was held at Spencer’s Restaurant in Berkeley, California on January 20, 1996, and hosted by the San Francisco Bay Area Chapter 2. Due to the facilities available to the Chapter, this has become an annual affair for the Northern Chapters.

Chapter 2 has an excellent program for each meeting consisting of a noted speaker, or in the event that no speaker is available, we honor a ship, station or military force. This year with a great publicity outlay contacting every one of our members by phone, plus individual letters to the chapter presidents concerned, a total of 145 Pearl Harbor Survivors and their ladies attend the joint meeting. At the meeting, the Naval Air Station of Kaneoke Bay was honored and 13 Kaneokeh Survivors and their wives attended. You might have thought it was a Kaneoke Klipper convention as the guest of honor, the Vice Chairman North and the President of the host chapter were all members of the Kaneoke Klippers. We did miss our California State Man of the Year, Gordon Jones, who was also from Kaneoke.

It was chapter 2’s honor to have as our guest speaker John Finn, the sole surviving Congressional Medal of Honor recipient from Pearl Harbor and his lady, Alice.

John kept the meeting in good humor for a half hour telling of his exploits, the actions of others he knew at Kaneoke, and debunking some of the grandiose actions attributed to him by various authors. His old squadron, VP-14, was the only unit to have three PBY-5 aircraft on patrol on the morning of December 7, 1941. Ensign William Tanner had the unfortunate posi-

Northeast Florida Chapter 4 and Florida Sons and Daughters Chapter 1 participated in the dedication of the new Veterans Memorial wall in Jacksonville.

The wall has the names of all Duval County persons who died in all wars during the 20th century. Names of the lost ones and the high school they attended are on a beautiful black marble wall.

On December 7 Chapter Members along with eight Sons and Daughters boarded the USS Underwood at Mayport Naval Station and cruised in the Atlantic to observe Pearl Harbor ceremonies. In the photo are Joni Starling, Carole Bethune and Johnette Hutchinson, daughters of deceased John Brown (Schofield Barracks) who laid the memorial wreaths in the ocean. Five burials at sea were also performed.

Financial Statements

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors,
The Pearl Harbor Survivors Association, Inc.

I have audited the accompanying statement of assets, liabilities, and fund balance-cash basis of The Pearl Harbor Survivors Association, Inc. as of September 30, 1995, and the related statement of revenue, expenses, and changes in fund balance-cash basis for the year then ended. These financial statements are the responsibility of the Association's management. My responsibility is to express an opinion on these financial statements based on my audit.

Except as set forth in the following paragraphs, I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

I was not present to observe the taking of the physical inventory at September 30, 1995 (stated at $30,174), and the Association's records do not permit adequate retroactive tests of those inventory quantities.

As described in Note 1, the Association's policy is to maintain its records on the basis of cash receipts and disbursements; consequently, certain revenue and related assets are recorded when received rather than when earned, and certain expenses are recorded when paid rather than when the obligation is incurred. This basis is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, except for the effect of such adjustments, if any, as might have been determined to be necessary had I observed the taking of the physical inventory, the financial statements referred to in the first paragraph present fairly, in all material respects, the assets, liabilities, and fund balance of The Pearl Harbor Survivors Association, Inc. as of September 30, 1995, and its revenue, expenses, and changes in fund balance for the year then ended, on the basis of accounting described in Note 1.

My audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. Schedules A through H are presented for the purpose of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, I express no opinion on them.

NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED SEPTEMBER 30, 1995

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES
The association is a nonprofit tax-exempt entity as defined under Section 501 (c)(19) of the Internal Revenue Code. The Association is federally chartered and is operated exclusively for purposes beneficial to the interest of the nation and its uniformed services personnel, their dependents and survivors. Each year the Association files a return (Form 990) with the Internal Revenue Service. In addition the Association updates the IRS on the subordinate organizations that are covered by the Association's group exemption letter. State and local chapters with gross receipts in excess of $25,000 are required to file their own Form 990 with the IRS.

The accompanying financial statements have been prepared principally on a modified cash basis, with the following exceptions: (a) Deferred Life Membership Dues are recorded as they accrue over a ten year period; (b) Prepaid Convention Expenses are deferred until the year of the convention and the fees received for the convention are shown as convention deposits until the year of the convention; and (c) Prepaid insurance is recorded and expensed over the life of the policy and prepaid memorial supplies are recorded and expensed as distributed.

Inventory is priced at lower of cost or market value, on the first-in-first-out method.

Depreciation is provided in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, on the straightline basis. Depreciation expense for the year was $1,703.

Several years ago donated assets were reflected as contributions at their estimated value at date of receipt. In recent years no amounts have been recorded for these items (or for donated services) as no objective basis is available to measure the value of such contributions.

NOTE 2 - DEFERRED LIFE MEMBERSHIP DUES
Current Deferred and Long-Term Deferred Life Membership Dues are carried as liabilities. Life Membership Dues are presently amortized over 10 years whereas Annual Membership Dues are recognized in the year received.

NOTE 3 - RELATED PARTY TRANSACTIONS
The Association pays rent to certain of its officers for the use of space in performing their duties.

National Secretary .................................................. $ 2,400
Treasurer .............................................................. 4,800
Storekeeper ........................................................... 2,400

$ 9,600

In addition the Association paid the Treasurer's daughter and daughter-in-law $6,788 for secretarial work and the Treasurer's son $7,831 for data processing work.

NOTE 4 - INVESTMENTS
Investments, which consist of U.S. Treasury Notes, a liquid asset fund, and certificates of deposit, are stated at cost. The breakdown of these investments at September 30, 1995 was as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Maturity Date</th>

<tbody>
<tr>

</table>

The total market value of the U.S. Treasury Notes at September 30, 1995 was $89,708. The certificate of deposit with a maturity date of October 1998 has been reflected as a current asset in the financial statements as

Continued on the next page
NOTES TO FINANCIAL STATEMENTS  Continued

the Association can redeem the certificate prior to maturity for its face amount less a small early withdrawal penalty.

NOTE 5 - BACKUP withholding
The investment company which handles the investments of the Association had an incorrect Federal Identification Number for the Association. Under Internal Revenue Service regulations the investment company withheld $1,479 of the Association’s investment earnings and remitted this amount to the Internal Revenue Service. The $1,479 is reflected on these financial statements under the other assets category.

NOTE 6 - LOSS ON REDEMPTION - N.A. GOVERNMENT INCOME TRUST
In September of 1993 the Association purchased 983 shares of an intermediate bond fund at a price of $10.17 per share. With automatic dividend reinvestment the number of shares increased to 1059 shares, which were sold in October of 1994 at a price of $8.97 per share. As the organization is on the cash basis, no recognition of dividend income had been made. The resulting loss in liquidation was $1,227.

NOTE 7 - CONTINGENT LIABILITY
A lawsuit had been filed against the Association by a caterer used during the Little Rock convention. The Association’s insurance company agreed to and paid a settlement of $3,000. The Association currently owes the insurance carrier $2,500, the amount of its deductible under the policy. The Executive Board voted to pay the $2,500 to the insurance company. At present this money has not been paid as the Treasurer is awaiting a response from the insurance company. No provision for any liability relating to the above action has been made in the accompanying financial statements.

NOTE 8 - CASH
Four separate cash accounts currently maintained by the organization.
