The National President, his wife, Theresa, daughter, Romaine, arrived home (St. Petersburg, Fla.) safely from their tour of the Central, Northeastern and Southern States where they visited many of the officers and members of PHSA.

The Frucci's (Mich. S.C.) and John Reberg, Wolverine Chapter president, entertained the National President and his family at Niles, Mich., and discussed PHSA business. Then on to Painesville, Ohio, where the Tokars were the host and, again, the future role of PHSA and its aims were discussed.

Next day found the Shanes at the home of John Kuzma (N.Y.S.C.) in Binghamton. A large delegation of Survivors were present to greet the Nat'l Pres. and his family at a special buffet luncheon at St. Michael's Social Hall.

PRES. SHANE TAKES TRIP . . .

(Continued from Page 1)

Up in the Green Mountains of Vermont — north of Montpelier — Arnold Tibbitts (Vt S.C.) and his family entertained their guests (the Shanes) at their 150-year old farmhouse on a 200-acre farm. It was here that Mrs. Shane had her first taste of fresh milk.

Serene quietness of the hills of Vermont disappeared as the car traveled to Portland, Maine, where Lafe Cochran (Marine S.C.) and the Nat'l Pres. met and discussed PHSA.

Next day the Shanes found themselves at the home and in conference with Bill Cleveland (N.H.S.C.) in Portsmouth, N.H.

While Pres. Shane was visiting his brothers in Haverhill, Mass., he made several trips to Rhode Island in search of publicity for Survivors.

On July 6, the Nat'l Pres. and John Kuzma spent several hours with Admiral Kimmell who was pleased at the work the Association is doing in its dedication to our unsung heroes and in our pledge and motto to KEEP AMERICA ALERT. Admiral Kimmell is past 85 years of age — but, his parting remarks to his guests were "KEEP UP THE GOOD WORK. REMEMBER PEARL HARBOR—KEEP AMERICA ALERT", and it left an indelible mark on their minds.

The next two days were spent on Long Island at the home of Joe Hydrusko at Massapequa, where movies of our recent reunion in Hawaii were shown. Then guests of Charlie Aslanian for a top-notch shish-kebab cookout with all the trimmings. Here, also, were talks pertaining to our exclusive Association, the eliteness of it, and our next trip to Hawaii.

On to the home of Cornelius Maartense (Pa S.C.) in Philadelphia, Pa., for a meeting and cook out. A 3-hour rain almost — but not quite — put a damper on the affair. It turned out to be a wonderful meeting with more than eighty people attending.

Then to the home of Merle Stouffer (N.J.S.C.) for conferences pertaining to the good of PHSA, and a most enjoyable visit.

In Arlington, Va., the day was spent with Jesse Pont (Va. S.C.) and Al Merz (Md. S.C.) discussing association policies.

At the home of Ralph Broughton (N.C.S.C.) in Greenville, N.C., Survivors gathered to welcome the Nat'l Pres. and his family. PHSA business was discussed pro-and-con.

The car then went to Seneca, S.C., the home of James Cooper (S.C.S.C.) where plans were discussed for forming S.C.'s first chapter.

PHSA SALUTE TO THE ARMED FORCES

Suncoast (Florida) Chapter One participated in the Greater St. Petersburg's Fifth Annual Salute To The Armed Forces by attending the U.S. Armed Forces Day Luncheon, held at Bayfront Center, Friday, May 18, to Honor the Active Reserve Forces.

First row (left to right): Henry Shane (USS Raleigh), Jerry Locks (Hickam Field), Edward Mrovka (USS Dobbin); Second Row: Bill Collins (Schofield Barracks), Nunzio Garbo (USS Tangier), Walter Tucker (USS Maryland), George Kealy (Schofield Barracks). Rear Row: Harold Cook (Schofield Barracks) and Anton Nelson (Fort Shafter).

NEW YORK TIMES RECORD STILL AVAILABLE

The special long playing record album of December 7, 1941 prepared by the New York Times, is still available to the Members of PHSA.

If you have not obtained this record, you are missing an exciting period of American history. This is a MUST record for every PHSA family and for every patriotic American.

The regular price of this album is \$4.95 plus 20c mailing charge. The special price to members of our association is \$3.95. In order to obtain one of these records, which are not on sale at record stores, send your check in the amount of \$3.95 payable to the New York Times and send to the PHSA National Office, 4209 Brown Road, Indianapolis, Indiana 46226.

Atlanta, Georgia, was the next stop at the home of Ed Eads (Ga. S.C.) where plans were discussed regarding the Sixth District Convention in December.

The National President desires to say "In behalf of my wife and daughter, I want to thank all of the Members, Survivors, and their families for the graciousness shown to us on our trip. Whenever you are near or in St. Petersburg, please stop and let us try and repay the kindness you have shown to us."

VETERANS ADMINISTRATION

Any Survivor who needs help to get medication or hospitalization should contact your local V.A. Office — namely, a service officer from one of the organizations — AmVets, American Legion, Veterans of Foreign Wars, or Disabled American Veterans. If you need verification on your claim for pension or compensation dating back to December 7, 1941, send a notation to be placed in the PH-GRAM. Also, check to see if you have your beneficiary up-to-date, so your wife, daughter, son, sister, brother, mother, or father may benefit at your death. Be sure to use your C-Number, full name and address on all V. A. contacts.

ANSWER YOUR MAIL

Do you like to write letters and never receive a reply?

Many hours are spent in preparing correspondence to be mailed to you. Then, there is NEVER a reply from 90% of those who receive the correspondence.

Just take a few minutes and send a note, if nothing else, to the originator of the PHSA correspondence. At least he will know you received and read the correspondence.

We must all cooperate!

"Remember Pearl Harbor — Keep America Alert" was the battle cry that awakened our beloved country to patriotism and a determination to rally to the cause of freedom, not only for our own Nation, but for all Nations who loved the freedom of speech — freedom of the press and freedom of religion, and were willing to make every sacrifice and even death itself in order to preserve the human race from the slavery of dictatorship.

One of the most diabolical and atrocious acts of any nation in the history of the human race took place on the morning of December 7, 1941, when without warning or reason attacked Pearl Harbor and all the vital instillations on the island and in the wake of their sneak attack took the lives of thousands of our heroic young fighting men, the very cream of our American Manhood.

From this infamous act of aggression the United States put forth the greatest army the world has ever known and through her fighting men and the support of our American citizenry and our allies we brought victory to World War II, and again made the world safe for Democracy.

We, the Survivors of Pearl Harbor, have a special duty to remember our Buddies who made the Supreme Sacrifice and at the same time, thank Almighty God for having permitted us to have a part in Pearl Harbor.

Pearl Harbor is a historical fact that will be remembered as long as the history of world events will be recorded.

We have forgiven those who were responsible for Pearl Harbor, however, we would not be true to our duty to our beloved country and our Buddies who made the Supreme Sacrifice if we forget what they have done for us.

We pray to Our Heavenly Father to Keep America Alert and grant Eternal Rest and Happiness to our Buddies who have gone before.

Chapter Meetings And State Meetings

SACRAMENTO HOSTS CALIFORNIA REUNION

Led by Chapter President Bob Addobati (USS Solace) and Convention Chairman Bob Walton (Wheeler Field), Sacramento Chapter 6 of California hosted the State's two days reunion.

The site for the reunion was Sacramento's most beautiful El Dorado Hotel. The flavor was Hawaiian with the men in Island style aloha shirts and the women appearing in shifts of Polynesian accent.

Wives of the members were given a buffet luncheon by the wives of the host chapter, followed by a Fashion Show with the Star Attraction being the beautiful Miss Sacramento of 1967.

At the business meeting each Chapter president outlined their chapter's immediate aims and long range programs. Floor discussions included proposed amendments to the national charter and by-laws but were tabled until the 1968 State Reunion which will be held in San Jose.

Dinner was enjoyed in the El Dorado Room followed by dancing with the music of Bob Matrola and his band.

The guest speaker of the evening was Sacramento County Sheriff John Messterli.

An old friend of Pearl Harbor Survivors and every other soldier, sailor and marine whose heart he touched "came to dinner". Joe E. Brown was a special guest of Hayne Moyer, District One Director. The California State Organization bestowed upon him an honorary membership in PHSA.

CHAPTER HAS PICNIC; PARTICIPATES IN PARADE

Kane County Forest Preservation, Elburn, Ill., was the site for Northern, Illinois Chapter One's annual picnic held Sunday, July 30, with approximately 135 people attending.

Frank E. Little (USS Oglala) was the picnic chairman — many thanks Frank and Mrs. Little for a job "well done".

Highlight of the picnic was the drawing of two \$25.00 savings bonds by the Survivors. Bonds were won by Elmer H. Boehm (USS Curtiss) and Thomas E. Brown (USS St. Louis).

Following Saturday, August 5, the Chapter participated in its first parade as a marching unit in the Rock Falls Centennial Veterans Day Parade. Arrangements were made by Clarence "Eddie" Renner, Chairman of the National Committee on Americanism and Patriotic Holidays.

HAWAIIAN LUAU

Merle E. Stouffer, New Jersey State Chairman, reports that the New Jersey State Chapter sponsored their first Hawaiian Luau at the Crystal Brook Inn, Route 35, Eatontown, New Jersey, on Saturday evening, September 16, 1967.

Over 200 attended the gala affair wearing leis, colorful Aloha shirts and Muu Muu's. Authentic Hawaiian, Polynesian and Tahitian dances by "Tiare" (Mrs. Margaret Zeller) were enjoyed by everyone.

The luau was such a tremendous success that the chapter plans to make it an annual affair for the members and their guests.

UNIT LISTS AVAILABLE

Unit Lists are available from the National Office. If you would like a list of buddies who were attached to your unit that have joined the Association, send your request to the national office and enclose a stamped self-addressed envelope. These Unit Lists are free.

Only members in good standing will receive these lists.

PHSA HATS

The official PHSA hats are available from the National Office. Sizes: Large, Medium and Small. Price — \$6.50.

PICTURES FOR GRAM

Pictures for GRAM must be black and white glossy prints with good contrast. They should tell a definite story or incident in the lives of individuals, Chapter, State or National Association. All can be enlarged or reduced if the picture is clear.

Colored pictures will not reproduce well. Some pictures received have been turned down because the picture is not clear enough to warrant expense of cut. Since the National Office limits the edition to three pictures, only the best pictures will be used.

NO FORWARDING ADDRESS

Please send a "Change of Address" card (cards are free at your local post office) to the National Office whenever you change your mailing address.

Many letters and copies of the GRAM have been returned marked "No Forwarding Address". Help us to get the mail to you.

LIFE MEMBERSHIP

Annual dues members in good standing (holding 1967 annual dues card) may have a Life Membership for \$40 — but this must be paid prior to Dec. 7, 1967, as that is the date when the 1967 annual dues membership expires.

New members desiring Life Membership must pay \$50.00.

PLEASE NOTE CORRECTION

In the July 1967 (12th) issue of the GRAM, the following named Survivor's name was misspelled in the "Ninety Eight New Members" and should have read: GAUTHIER, Norman F.

P.H.S.A. INSIGNIA PROTECTED

The P.H.S.A. Insignia is registered in the U.S. Patent Office (No. 213 465).

This protective measure was taken by the National Office to prevent reproductions. NO ONE can legally reproduce the insignia in any manner without first obtaining written permission from the National Office.
