OUR 1968 CONVENTION PROGRAM BOOK

We take on a new format completely in the publishing of this one, and we believe it will be the best yet.

The cover is layed out in four color graphic illustration and is continuous front to back.

There are no "ads". It has been our experience that the majority, in fact all, of the firms approached for support have indicated a preference to contribute and be acknowledged under an appropriate "appreciation" heading rather than "advertise". This is to our advantage as it eliminated much lay-out and leg work, to say nothing of the obvious neatness and needless bulk.

The program book belongs to all of us and we feel that every survivor has a right to solicit "listings" for publication and we most certainly welcome your efforts to help out. Possible prospects; the corner drug store, barber shop, service station, market, real estate or appliance dealer, and many more. See what you can do — help make this Convention go.

COLLECTS AND DONATES BOOKS TO VA HOSPITAL

Recently, Charles Aslanian, Secretary of the Statue of Liberty Chapter No. Four of New York, collected more than a hundred soft covered books from his neighbors, which he then donated to the Veterans Hospital, Northport, New York.

The chapter plans on doing the same thing for other Veteran Hospitals in their area.

KEEPING THE RECORD STRAIGHT

Remarks and comments have been made regarding the tour of the National President, Henry Shane, made last summer with his wife and daughter.

To set the records straight, the National President would like for it to be known that the National Office paid him less than two hundred dollars which was for that part of his trip from St. Petersburg, Fla., to the Great Lakes Naval Training Station, Great Lakes, Illinois, for honors rendered and bestowed to our Association - official reviewing officer of the Recruit Graduation Review in the name of all Pearl Harbor Survivors.

The remaining 26 days of the trip which took in the Eastern and South-eastern States, motels, phone calls, travel expenses, entertainment of members and survivors, and other items of costs were paid by Henry Shane. This came to quite a bit of expense — but if it had not been for the generosity of a number of the members along the trip, the expense would have been much more.

Again, the National President sincerely thanks all of the members and their families who treated him and his family in a royal fashion. And, for those of you who were not aware of the above facts, he offers an apology for not letting you know of this information sooner.

**BIG 1968 NATIONAL REUNION
IN SEATTLE**

1968 NATIONAL CONVENTION MAILING ADDRESS —

To eliminate confusion and repetition, and to expedite matters, there is ONE and ONLY ONE 1968 National Convention Mailing Address. It is: PEARL HARBOR SURVIVORS ASSOCIATION, P.O. BOX 692, MERCER ISLAND, WASHINGTON 98040.

Please direct all inquiries to the above address. Your inquiry will be directed to the proper committee and every effort will be made to answer promptly as possible.

All monies sent to Seattle Chapter, for whatever reason, are to be made payable to: PEARL HARBOR SURVIVORS ASSOCIATION, 1968 REUNION — and mailed to the above address - Attn: Mr. Ray Emory.

FIFTH GRADERS SEE MOVIES AND SLIDES OF HAWAII

Joel Bachner and Charles Aslanian, Statue of Liberty Chapter No. Four of New York, showed their movies and slides taken at the 25th National Reunion in Hawaii to Miss Chereb's Fifth Grade Class, Oakwood Elementary School, Huntington, New York.

Yes, the students asked questions and they were clever ones.

The program went over big and the assistant principal stated he would like for them to come back and show the films to other classes.

Joel and Charlie were rewarded—each of the students wrote them letters telling how much they enjoyed their films and visit. What more could you ask?

NOW HEAR THIS!

The National Convention and Reunion commemorating the Twenty-seventh Anniversary of the attack on Pearl Harbor will be held in Seattle, Washington, this December 4 - 8.

The convention will be headquartered at the Benjamin Franklin Hotel, 5th Avenue at Virginia, in the heart of the "Queen City".

The famous Mono-Rail makes the trip from the center of the city to the Seattle Center in less than 90 seconds. Interest and activity at the former site of Century 21 Exposition has dimmed but little. The Science Center, Coliseum, Opera House and the Space Needle are but a part of an outstanding display of man-made beauty.

The natural beauty of the mountains, lakes and sparkling Puget Sound, on which the city is situated, can be appreciated only by personal observation. We here in the Seattle Chapter are certain that you will enjoy your trip and we hereby issue an invitation to each and every Survivor and his family to come and visit us. We are expecting you.

REGISTRATION—

There will be a fee, of course. The Convention Committee fully realizes that the mechanics of a convention are many and varied and that even the best of us are not perfect. However, we believe that we have come up with a realistic package not out of proportion to the registration fee.

Your registration will include the following: champagne reception, cocktails before banquet, sick call breakfast, luncheon, banquet dinner, transportation to and from Memorial Services, reduced fare on the Mono-Rail, your name in the hat for all prizes. The Seattle Chapter will also maintain a "Hospitality Suite" at the Benjamin Franklin Hotel that you may visit at any time you wish.

In the matter of luncheons, there will be a luncheon for the ladies only while the men are at the general meeting. Survivors at the meeting will be served luncheon in conjunction with the business meeting.

Your fee of \$18.50, per person, will cover all of the above and any other little goodies that we are able to squeeze in.

A deposit of \$10.00 is required and we respectfully request that this be in the hands of the Convention Committee by June 15, 1968.

Hotel reservation cards will be out along with the next issue of the GRAM. The Benjamin Franklin Hotel is first choice and the Olympic Hotel as alternate. There are also numerous motels within walking distance of Convention Headquarters, if you prefer. Informa-

tion on rates will accompany registration and reservation cards coming in the next Gram.

GENERAL BUSINESS MEETING—

Seating for the General Assembly will be by Districts. Each area will be designated by standards and banners furnished by the Seattle Chapter.

Microphones will be installed at convenient locations for ease of all speakers and will be controlled by a switching arrangement. When a speaker is properly recognized, he will have a microphone turned on for him during his allotted time on the floor.

The entire proceedings will be recorded on tape.

Because of time limitations, it is requested that everyone, while speaking on the floor, condense his proposal to the essentials and be brief and to the point. The cooperation of all members is paramount to an orderly and meaningful assembly. Only in this manner can we hope to give every man a chance to be heard, if he so desires, and reflect the dignity of the Pearl Harbor Survivors Association.

RESOLUTIONS, PROPOSALS, ETC.—

It is suggested that any member wishing to bring up any matter on the floor draft his proposal and present a copy to the National President, Henry Shane, as soon as possible. These papers should be in his hands in time for persual and publication in the October Gram.

Ray Glover, Seattle Chapter president, has been appointed by the National Convention Chairman, Robert Graves, as Convention Meetings Chairman. In this capacity, Ray respectfully asks that a copy of all proposals be sent to him at the convention mailing address, no later than November 15, 1968.

If all members are to vote intelligently on proposals and-or changes it is necessary that they be familiar with the issue. It is further recommended that the initiator of change and-or proposal, be responsible for furnishing copies in sufficient amount prior to the assembly. These copies may be mailed to the Convention mailing address and will be distributed upon registration.

Proposals not in writing and brought up on the floor of the Assembly, will be delt with at the whim of the body present at the meeting.

Relative to the numbers of copies required, this should be compatible to the number of survivors attending. An indication of expected number in convention will be published in the next Gram. The Seattle Chapter doesn't feel that it is liable to furnish, or have made, copies of these papers.

Every effort will be made by the Seattle Chapter to distribute copies sent to us to members attending the convention.

AVAILABLE FROM NATIONAL OFFICE

Would you like a list of your buddies who were attached to your unit and have joined our association? These Unit Lists are available and yours for the asking. Just write to the National Office and enclose a stamped self-addressed envelope. Only members in good standing will receive these lists.

Lapel pins are available from the national office at a cost of \$5.00 each.

Official PHSA flags are to be obtained from the national office. The flags are approximately 45 inches by 68 inches. They are constructed using 100 percent white rayon taffeta, and are dry cleanable. Price \$15.00. Allow two weeks for delivery.

The Official PHSA hats are now available in the sizes of small, medium, large and extra-large. Prices: cotton hats (what we had in the past) are \$6.50; serge hats (with sweat band) are \$7.50.

PHSA cloth emblems (design the same as those of the past) are seventy-five cents.

PHSA decal (paper) for your car—25c each.

Checks and money orders are to be made payable to: Pearl Harbor Survivors Association, Inc. The address is on the front page of the Gram.

YOU DIDN'T GET YOUR LAST PEARL HARBOR-GRAM?

Well! John Berlier, our National Secretary-Treasurer, received his—matter of fact within a 20-day period he received 65 Grams — returned, because of "address unknown". At 10c per Gram returned, that is slightly more than some poor survivor's dues for the year.

Please inform the National Office of your change of address so you will not be missing out on the best conglomeration of "scuttlebutt" you have ever had —plus important news that is sent out from time to time.

MEMORIAL SERVICES—

Services will be conducted at Sand Point Naval Air Station. Transportation will be furnished to and from.

Wreath will be dropped from a helicopter onto the waters of Lake Washington, followed by the release of some 3,000 orchids representing the men who died on December 7, 1941.

The orchids come to us from some very special friends in the Island, some of whom you will meet here at the convention. These people are making the trip to Seattle just to participate in our activities. In fact they are shipping over 7,000 orchids just for the occasion.

We have the big guns for the salute, band music, color guard, honor guard and speakers appropriate for the occasion.

All members who have any information or other data that they would like to be taken care of while NP Shane is on this trip, please submit to the National Office — or direct to the National President's office, and he will try his best to take care of what you would like to have done; but, please keep this matter confined to PHSA and National Convention business. CHAPLAIN'S CORNER

Asked to name the Chaplains on duty at Pearl Harbor on December 7, 1941, I ticked off the Navy Chaplains from memory — and realized how few are still Pearl Harbor survivors! Time has taken its toll. Thinking of that, I wondered how many of us have justified our surviving that day. I came off with a cut on my thumb where I hooked it on a bomb-damaged locker as I hunted for bodies. Why them and not me? Why them and not you? What have we done to justify the selection? I hope we can live (and die) with our answer. It's later than you think!

SOUND - OFF

(Articles for this column are to be mailed direct to: Chief Editor, Pearl Harbor-Gram, 2251 Linden Avenue, Waukegan, Illinois 60085. You MUST sign and print your name and address on the article submitted.)

Dear Survivor,

One of the reasons I joined the Association was to get in touch with survivors who were ex-shipmates.

My beef is I have written to some of you asking for information and I have never received a reply to date. I would have appreciated at least a reply to my inquiries.

I am completely out of touch with ex-shipmates because for the last twenty years, I have been living in Canada and do not have any other method than the mails to get in contact.

I propose a metal decal to put on our license plates, such as Doctors, Masons, and others have. Instead of the paper ones, which fade and cannot be changed to another car, these attract a lot of attention.

Chief Editor:

In my opinion the way we of the P.H.S.A. can best support our men in Vietnam is to call to the attention of any store manager that sells Communist merchandise that he is helping to kill our men in Vietnam.

WE of the P.H.S.A. should know.

Dear Editor,

In response to the item "Sound-Off" on page 1 of the January 1968 issue of the "Gram", may I suggest that you have a regular column which would show:

- New members - by name, ship or station, and address
- Deceased members - by name, ship or station, and address
- Total current membership - number only.

You might also run a human interest column of "Superlatives" such as oldest member, youngest member, member with most children, etc.

Sound Off Column:

We have 50 states and out of that 50, there are only 32 states that have at least furnished ONE new member and that there are 18 states that have NOT submitted one new member to help the PHS grow. Here are the states that have not produced YET. Time is running out — Alaska, Nevada, Montana, Wyoming, New Mexico, Oklahoma, Arkansas, Louisiana, South Dakota, Kentucky, Mississippi, North Carolina, South Carolina, Delaware, West Virginia, Maine, Vermont and New Hampshire.

How about the District Directors contacting their State Chairmen to get after the men and try to help the PHS grow. The eligible survivors are there. If anyone needs the list of non-members in their area, your State Chairman has them and if you want, contact me and I will see that you get the names of the non-members in your area.

Thanks for letting me sound off.

Jerry Gammon
Vice President, PHS
Membership Chairman

Chief Editor:

Our Association is to be commended for having officers of such high caliber who conduct themselves as gentlemen at all times.

While attending a meeting of another organization which I belong, the president, in front of everyone present, said he was running things and went so far to say, "you as ladies are not ladies if you don't do as I say." Then the secretary-treasurer got mad and started in throwing and bursting empty beer bottles in back of the bar thus causing a scene.

I know we don't have a Ladies' Auxiliary, and I think we are better off, as our Association is primarily for Pearl Harbor Survivors who we can locate and sign up as members.

Men, some of them, can get all out of line and create a disturbance, an uncalled-for scene and cause an organization to have a bad name in the community. Just remember all uncalled-for disturbances and poor conduct of officers travel faster to the public and throughout the community than anything else.

Things like the above help to ruin an organization fast, and if a member has a beef against another member, it is better he says it to that member in private than in front of everyone who is present.

I think I have spoken, now let's hear you "Sound-Off".

Yours in service for our Pearl Harbor Survivors Buddies.

LCDR Henry Carlson, Chaplain, USN, gave the invocation and benediction. Members of the Gold Star Mothers laid the wreath at the base of the flag pole in front of the administration building. Music was provided by the Marine 3rd Air Wing Band. Services were attended by approximately 150 people.

Following the services, open house was held at the V.F.W. in Gardena and despite a driving rain storm, (Florida Chamber of Commerce: Please Note) about 200 came to the dinner dance that evening.

PRIZES AT 1968 CONVENTION

In keeping with "Hawaiian Fun in '71", the first prize will be two round trip tickets to Honolulu from any city on the West Coast of the winner's choosing. In case the winner does not plan to make the trip, an alternate prize of equal value will be awarded. How about that, Charley Brown?

Third prize is donated by a Seattle business firm and the donor stipulates that it MUST go to an out of State couple. This prize is worth \$50.00 and gives you a "Night-on-the-Town" at the Space Needle.

BOOSTERS AND SURVIVORS DIRECTORY FOR NATIONAL CONVENTION

Survivors who wish to be listed as a booster for the National Convention will have their name, address and name of unit listed in the directory for one dollar (1.00). The Survivor's family members are extended the same rate.

How about sending a 3"x5", black and white glossy photograph of yourself with the above information and have it in the directory? The idea of the survivor's photo with his name, address, ship and-or station has generated quite a great deal of enthusiasm in this area. Maybe some of your old friends will be a little difficult to recognize due to minus a little hair — but, who cares? We all lost a little of something on "graduation day", December 7, 1941. Cost for printing the picture, your name, address, ship or station is only \$5.00.

Non-Survivors who wish to become a booster, may have their name and address listed for the sum of two dollars. How many of your good friends want to be listed in our 1968 National Convention Directory? Quite a few, I hope!

State Chairmen and National Officers are requested to send a 3"x5" black and white glossy photograph of themselves for printing in the program. Do not delay, do it immediately.

Let us all support our 1968 National Convention in Seattle, Washington.

-SEE YOU IN SEATTLE IN 1968-

CALIFORNIA STATE CONVENTION

JULY 26 TO 28

Santa Clara Valley Chapter Seven will host the California State Convention at the Hyatt House, San Jose, Calif. during the week-end of July 26-28, 1968.

Registration on July 26 with entertainment to follow in the Hostess House for all delegates, members and their friends. Then on to a barbeque and wine tasting festivity as guests of the Paul Masson Winery, Los Gatos, California. The next morning, while delegates are attending the business meeting at 10 A.M., our ladies will be escorted on a sight-seeing and shopping tour of the Greater Santa Clara Valley. In the evening, entertainment will feature a banquet with soft, nostalgic Hawaiian music, drawing of numerous prizes (including the big prizes), dancing and conviviality.

In keeping with the Hawaiian motif, dress will be strictly informal, sport shirts and slacks (muu-muus or lava-lavas for the ladies) except when enjoying the warm, limpid water of the swimming pool (bikinis, maybe??).

Morning of July 28 will be devoted to R and R.

Expected guest speakers are the National President, Henry "Hank" Shane (USS Raleigh) and Mr. Joe E. Brown, of Hollywood, an honorary and honored member of PHSA.

The following ships are not shown on this map: USS Boggs, USS Lambertson, USS Chandler, USS Minneapolis, USS McFarland, USS Ontario, USS Sunnadin, USS Pyro, USS Cockatoo, USS Reedbird, USS Widgeon, YO 44, YG 17, and a tug, Hoga (?).

A map (8'x12') of Pearl Harbor and Hickam Field area is in the process of being made by members of the Seattle Chapter. To make the map accurate as possible, they need to know what ship was next to yours, which way was the bow, next to a dock, tied to quay, moored, anchored, underway, going out, coming in, location of honey barge, dredge, or any other landmark that will help locate your ship at the time of the attack.

Please mark on the map any information you can remember, no matter how insignificant it might seem, and forward the map to the Convention mailing address. The sooner the better.
