Her duties will be to interest nurses in our association, as she has kept up with a number of those who were there on the day of infamy. The association is looking forward to meeting them at our 1970 New York reunion and in 1971 when we hold our 30th anniversary in Hawaii.

It would be interesting to know where the nurses are today and what they are doing. It is hoped their experiences can be recorded for historical purposes through the PHSA.

Presently, Anna is coordinator of the INACTIVE HEALTH PERSONNEL PROJECT, Alabama State. During the past two years there has been a nation-wide search for inactive nurses to return to the work force because of the crisis in nursing and to prepare nurses for employment in the event of a disaster.

Anna's address is 3553 Cloverdale Road, Montgomery, Alabama 36111.

## CHAPLAIN'S CORNER

Dr. Charles Malik of Lebanon said pointedly at the beginning of the turbulent 60's:

"This is Asia's and Africa's deepest challenge of the West: What have you to give me, not of your trinkets, but of your mind; not of the external husks of your life, but of the substance and marrow of your soul? . . . . The civilization at whose heart pulsate Aristotle and Augustine and Aquinas and Dante and Newton and Shakespeare and Pascal and Kant and Lincoln, the civilization which has been blessed and transformed by Christ, needs only a mighty hand to shake it out of its slumber. And, once shaken, once really awakened to the responsibilities which it and it alone can shoulder, there is nothing it cannot dare and do."

Confronting the problems of the 1970's — of peace, outer space, nuclear power, human justice, poverty, quality education — with the "Mind of Christ" can assure Americans and all mankind that by the turn of this century "every knee shall bow . . . and . . . every tongue confess that Jesus Christ is Lord," not Karl Marx, "to the glory of God the Father," and of free men everywhere

May America's innate respect for the dignity of the human spirit whose source is the Judeo-Christian ethic, long endure.

### TELEVISION STAR PROMOTES PHSA

Last September Orval N. Woodbury, secretary of California Chapter 1, wrote a letter to a distinguished television entertainer, who was appearing at the Greek Theatre in Los Angeles, and asked him if it would be appropriate or possible for him to make a small announcement during his show regarding the return of the Pearl Harbor Survivors to Hawaii in December 1971 for the 30th anniversary of the attack on Pearl Harbor.

Chapter members and their ladies attended the opening night show of DON HO at the Greek Theatre.

During his performance, DON HO asked the Honorable U.S. Senator of Hawaii, Daniel K. Inouye, who was in the audience, to come to the stage and asked the Senator to read the letter from the secretary of California Chapter No. 1. Then Mrs. Richard Crawford, along with PHSA members, went to the stage and presented Don Ho with a floral lei.

Here is part of a letter sent by Senator Inouye to the California Chapter:

"Although I was a bit embarrassed and shaken to be called up to the stage by Don Ho, I was most pleased and honored to read your letter relating to the Hawaiian get-together of your organization during the week of December 7,

### AMERICA, THE BEAUTIFUL!

#### TORA! TORA! TORA!

Every chapter needs a financial boost in its treasury - here is a chance for you to do the job.

"PATTON - Blood and Guts" is a 20th Century-Fox Spring Release.

"TORA! TORA! TORA!" is a Fall Release - documenting as only the film medium can do the events leading to the "Day of Infamy" - the Japanese attack on Pearl Harbor, December 7, 1941.

These attractions are perfect for your fund-raising activities - the kind of films any veterans' group will be proud to support in their communities... Your sponsorship of a premiere or special evening at the theatre could become major events in your city... while also aiding your scholarship fund or other fund-raising needs.

For special information on opening dates of these two big movies in your city - and how you can sponsor a gala benefit, please write to Mr. Sid Newman, 20th Century-Fox, 444 West 56th Street, New York, N. Y. 10019.

### GOD BLESS AMERICA!

1971.

I am certain your 30th anniversary of this black day will be a memorable one. If I can be of any assistance, please feel free to call upon me."
