**TWO OKLAHOMA SURVIVORS
REUNITED**

There was a lot of reminiscing going on recently when Joe Szewerenco, Route 1, Chebanse, Illinois, located Leonard Kelly, 212 Berkley Avenue, Battle Creek, Michigan.

The two were aboard the USS Oklahoma at Pearl Harbor and until recently didn't know the other had survived the ordeal.

How did they find out about the other — via the Pearl Harbor-GRAM.

PHSA FOUNDER AND SONS

Edward, Robert, Samuel, William and Richard

Samuel Kronberger was a navy veteran of thirty-five years. He enlisted in the National Naval Volunteers at Boston in January 1907 and immediately saw duty aboard the gunboat USS Gloucester and the USS Kearage. He was released from active duty in 1917 but was immediately recalled and reported aboard the USS Nebraska.

Sam was a member of the boarding crew that seized the German liner Crown Princess Cecelia. Later, he served aboard the USS McCook, a destroyer.

On December 7, 1941, Edward and Robert Kronberger were serving aboard the USS West Virginia with their father, Sam, when the attack took place. Sam was blown off the ship by the bombs.

The Loyalty Day parade in Gardena, California, which is held each year, is due to the untiring efforts of Sam, who was known to everyone in the community as "Navy Sam Kronberger."

Sam Kronberger was the founder of the Pearl Harbor Survivors Association, founded in 1958. Edward and Robert were of the original founders.

In 1960, Sam was honored as "Veteran of the Year" and was presented an award by all the service organizations of Gardena at the General Rosecrans V.F.W. Post Memorial Hall on Veterans Day, Nov. 11th.

All of Sam's four sons, Edward, Robert, William and Richard, followed in his footsteps by becoming Navy men and making it their career. His daughter, Dorothy, married a Navy man, Chief Warrant Officer Howard Kamler.

Sam was Civil Defense director of Gardena and was active in many civil organizations up to the time

of his passing on September 5, 1961, at the Naval Hospital, Camp Pendleton.

Edward Kronberger retired from the naval service after 30 years. His present address is: 6217 S. St. Andres Place, Gardena, Calif. 90247.

Robert S. Kronberger (LCDR) will retire December 1970 with 37-years naval service. His present address is: 14928 Mariposa Avenue, Gardena, Calif. 80247.

William was in the process of re-enlisting back in the States when Pearl Harbor was attacked. He retired after 30-years of naval service and resides at: 9051 Ronda Avenue, San Diego, California.

Richard was in the Philadelphia Naval Shipyard, December 7th, 1941. He retired after 30-years of naval service and is residing at: 2114 W. 160th St., Gardena, Calif.

Dorothy and her husband, who retired after 24-years of naval service, resides at: 2119 W. 160th St., Gardena, Calif.

PEARL HARBOR SURVIVORS ASSOCIATION, INC.

ANNUAL FINANCIAL STATEMENT

To: National Executive Board
Pearl Harbor Survivors Association, Inc.

Gentlemen:

I have examined the attached Statement of Financial Condition as of December 31, 1969, and the Statement of Cash Receipts and Disbursements of the Pearl Harbor Survivors Association, Inc., for the twelve months ended December 31, 1969. My examination was made in accordance with generally accepted auditing standards and included such auditing procedures which I considered necessary in the circumstances. I examined and reported upon the financial statements of the Association for the previous year.

The year of 1969 shows an increase in Surplus and Reserve for Life Membership of \$8,572.37. Membership also increased during 1969 from 3007 members to 3384, which is an increase of 12.5%. During 1969 life members (included in above amounts) increased from 1060 to 1218, which is an increase of 14.9%. The \$8,572.37 increase in Surplus and Reserve for Life Membership is a substantial gain over the \$4,130.99 for the year 1968, but is needed to cover future expenses for the increasing numbers of Life members.

In my opinion, the aforesaid financial statements present fairly the financial position of the Pearl Harbor Survivors Association, Inc., at December 31, 1969, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

STATE CHAIRMAN**

**GAMMON ANNOUNCES
CANDIDACY
FOR NATIONAL PRESIDENT**

"I was a proud man the day in 1961 when I signed up in the Pearl Harbor Survivors Association as a life member. I was appointed the Missouri State Chairman in 1963 and traveled the whole state several times and helped to form the two chapters in Missouri.

In 1963 I assisted in the National Convention held in St. Louis as the floor manager. In 1964 I successfully conducted a Missouri State Convention.

When I was elected the National Vice President in 1966, I assumed the duties of Membership Chairman with the national membership over 2,000. At this time we are over the 4,000 mark and should have reached the 5,000 mark by the time we return to Hawaii in 1971. This will be the 30th Anniversary and memorial service. This makes me feel very proud to be the Chairman of the Membership Committee and showing such a tremendous increase, thanks to the help of a great many of the members in signing up the new members. I try to stress to as many of the members at all times the word "Retention". Why sign up new members if you don't try to keep them as a member. A good way to keep members is through activities and with the various activities taking place all over the country, it is stimulating the desire of the non-members to join and these actions are spreading all over and this is great. Keep up the good work!

I feel that I have the qualifications and the experience to serve as your president of the Pearl Harbor Survivors Association, I have 7 years experience as a national officer, 3 years as State Chairman and 4 years the National Vice President.

I am married 25 years to Polly and I am in good health. I served at Fort Armstrong at the time of the attack. I belong to the American Legion, the V.F.W. and the Lions International; but, I am not active in any of them as I devote all of my time to the great P.H.S.A.

The last two national presidents, Gene Lindsey and Henry Shane, have spent a lot of time and hard work and have suffered a lot of heartaches and headaches but performed a very wonderful job in guiding the P.H.S.A. onward and upward and my intentions are to continue this, onward and upward. We have come a long way and we are not through yet.

In the membership committee we use a motto that tells us the truth: "The More the Merrier".

JERRY GAMMON

So let's keep it up!

I want to thank you in advance for your support and your assistance to help me in the election this December at the National Convention in New York City.

Sincerely,
LeRoy V. (Jerry) Gammon
Vice President
Membership Chairman
10395 Forest Brook Lane

**FRISCO SURVIVOR IS
INDIANA STATE CHAIRMAN**

Orville Jinks (USS San Francisco) has accepted to be the State Chairman of the State of Indiana.

Orville's address is: Apartment "D", 4262 Burkhart E. Dr., Indianapolis, Indiana 46227.

WHICH ONE ARE YOU?

Some members keep their chapters strong
While others join to just belong.
Some volunteer and do their share,
While some lie back and just don't care.

On meeting nights some always show,
While there are those who never go.

Some always pay their dues ahead,
Some get behind for months instead,

Some do their best, some build,
some make,

Some never do, some just sit
and take.

Some lag behind — some let
things go

And never help their group to
grow,

Some drag — some pull — some
don't — some do.

Consider Members!

**WHICH ONE OF THESE IS
YOU?**

GOVERNOR PROCLAIMS PEARL HARBOR DAY

Governor Norbert T. Tiemann of the State of Nebraska signs proclamation, proclaiming December 7, 1969, as "Pearl Harbor Day". Survivors looking on are (left to right): Clifford Griffin (USS Medusa), Joe Baburek (USS Medusa), Edward J.

Chudley (Receiving Station, P.H.), A. W. "Bo" Wilson (USS Pennsylvania), Ralph Naslund (Hickam Field), Henry Menke (USS Raleigh), John B. Amgwert (Naval Hospital, P.H.) and Eric D. Maielski (USS Argonne).

ARIZONA PHSA MEMBERS PROMOTE CIVIC SERVICES

Fellow Survivors of the State of Arizona are always busy promoting a "good attitude" in various civic services.

The members gave a large Christmas party to the Retarded Children Colony at Randolph — and presented them with four 19" television sets which were badly needed.

Visits are made to the Veterans Administration Hospital at Prescott — giving "bag of goodies" to each of the hospitalized Veterans.

At the present time, the Arizona members are planning to take a widow or mother of one of the seven Arizonans aboard the USS Arizona — the monument of the Pacific — so they might see where their loved one rests in peace.

Kenneth L. Crider, Third District Director, states "There is no end to what you can do if you get together as a team and go forward, bearing in mind to — REMEMBER PEARL HARBOR."

DID YOU KNOW —

The bathtub was invented in 1850 and the telephone in 1875. Had you been living in 1850, you could have sat in the bathtub for 25 years without the phone ringing once. (From Phoenix Chapter No. 1 News Letter)

O'CONNOR APPOINTED STATE CO-CHAIRMAN

John G. Crawford, State Chairman of Texas, has appointed James F. O'Conner (USS San Francisco) as Co-Chairman for the State.

John's address is: 2347 Triway, Houston, Texas 77043.

BUCCANEER DAY

More than 150,000 persons well received PHSA members of Texas Chapter No. 1 who rode in a 1925 Ford Model-T truck in the Annual Corpus Christi Buccaneer Night Parade. The chapter is now making plans for a dinner-dance to be held December 6th at the C.P.O. Club, Naval Air Station, Corpus Christi, Texas. Chapter members in the above picture are: (left to right) standing: Jack Parsons, D. D. Johnson, W. W. Lloyd, chapter president; front row: Lee Bowman, W. A. Eckel, chapter vice president; O. H. Sauer, chapter secretary-treasurer; John Crawford, Texas State Chairman; and Earl Harrington.
