FUNDS SOUGHT FOR USS UTAH MEMORIAL

Congress last year passed a bill for construction of a memorial over the USS Utah which still lies on her side in shallow water on the northwest side of Pearl Harbor's Ford Island. The law authorizes the government to pay the costs, but Senator Frank E. Moss (D., Utah) has found that it may be two or three years before the money can be included in the Navy's budget.

Sen. Moss told Navy Times, "I don't feel we should wait that long. I'd like to see this memorial in place by next December 7, the 30th anniversary of the Pearl Harbor attack, so we're going to try and raise the money on our own."

There are 54 Navy men entombed on the USS Utah. One of the men, Chief Watertender Peter Tomich, was posthumously awarded the Medal of Honor for his heroism during the Japanese attack. Navy records show that the 54 men came from 18 different states and one was a native of the Philippines.

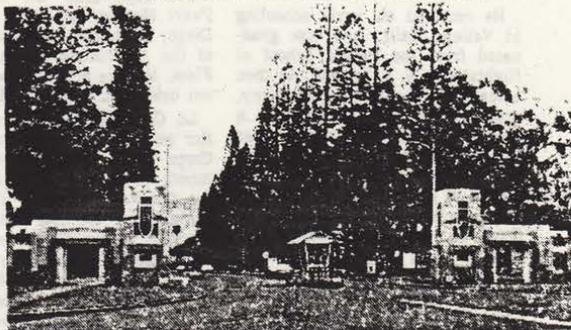

It took Sen. Moss six years to get his bill through Congress - to have this memorial erected over the USS Utah.

"I hate to wait the two or three years it'll take to get the necessary money into the budget cycle," Moss says. "If we can get enough public support - and fast - we can have the memorial finished by next Pearl Harbor Day."

A goal of \$115,000, has been set for the memorial.

"We're not asking for anything elaborate," the senator says. "The Navy plans call for a landing dock and a flagpole where each day our flag will fly, just as we honor the men of the USS Arizona by raising the colors over her memorial at

SURVIVORS, PLEASE NOTE

Several inquiries have come to National regarding travel by agencies other than FitzPatrick to Honolulu this December. Please be mindful that we are contracted with FitzPatrick and no other agency has the authority to include PHSA activities in their travel package.

FitzPatrick is our exclusive travel agent and PHSA retains full and complete control over all other activities and has authorized no other agency to act for us.

Those of you who are fortunate enough to be able to travel at government expense, military transport or commercial air lines at reduced fares, do so by all means. It all boils down very simply, travel by any other means than mentioned above and you are in effect, not supporting your own organization.

More than 1,000 reservations are in at this writing. If you have not as yet made your reservations, it is suggested you do so at your earliest convenience.

MARINE CORPS GENERALS JOIN PHSA

Lt. Gen. Alan Shapley (Ret.)
(USS Arizona)

Lt. Gen. Alan Shapley, Lieutenant General Alan Shapley, USMC (Retired), was born Feb. 9, 1903, New York, N. Y.

He received his early schooling at Vallejo, Calif., and was graduated from the Peddie School at Hightstown, N. J. in 1922. He then entered the U. S. Naval Academy, graduating on June 2, 1927, as a Marine second lieutenant. After further training at the Academy, duty at Quantico, Va., and completion of the Marine officers' Basic School at the Philadelphia Navy Yard, he sailed for Hawaii in Jan. 1929 to begin almost three years of duty at the MB, Pearl Harbor. He returned to the States in Oct. 1931, and served in various capacities at San Diego, Calif., before taking command of the Marine Detachment aboard the USS San Francisco in June 1934. He was promoted to first lieutenant that same month. Detached from the USS San Francisco in June 1936, he returned to Quantico where he served as Aide-de-Camp to the CG of the MB.

He was promoted to captain in July 1936. In June 1937, Shapley entered the Junior Course of the MCS at Quantico. He completed the course in May 1938, and was ordered to San Francisco, Calif., as Aide-de-Camp to the CG, Department of the Pacific. After serving in that capacity until July 1939, he served as Operations, Training and Intelligence Officer of the Department of the Pacific until May 1940.

A month later he departed for Hawaii, where he took command of the Marine Detachment on the USS Arizona. He was promoted to major in August 1941. He was awarded the Silver Star Medal for heroism on December 7, 1941, when the USS Arizona was sunk at Pearl Harbor. There, in the water after the ship had been bombed and set afire by the Japanese, he disregarded his own exhaustion

Maj. Gen. Clifford B. Drake
(USS California)

and the enemy's bombing and strafing to rescue one of his men from drowning.

Two days after the attack on Pearl Harbor, he sailed for San Diego, to become personnel officer of the Amphibious Corps, Pacific Fleet. He was promoted to lieutenant colonel in August 1942.

Lt. Col. Shapley assumed a similar post with the 1st Amphibious Corps in Oct. 1942, and that same month he sailed with the 1st Corps for the Pacific area. There he commanded the 2nd Raider Bn., 1st Mar. Raider Regt. from March to September 1943. Later, he led the crack 2nd Mar. Raider Regt. in the fighting at Bougainville, earning the Legion of Merit with Combat "V" for outstanding service at Bougainville in Nov. 1943.

After the Bougainville campaign, Lt. Col. Shapley was given command of the 1st and 2nd Mar. Raider Regts., from which he organized the 4th Marines, which he commanded at Emirau, Guam, and Okinawa. In addition to the Navy Cross for heroism on Guam, he was also awarded a second Legion of Merit with Combat "V" for outstanding service at Okinawa from April to June 1945. He was promoted to colonel in November 1944.

Following the Okinawa campaign, Col. Shapley returned to the States in July 1945 to become Assistant Inspector at HQMC, Washington, D.C. In September he entered the National War College in Washington. After graduation in June 1947, he served for two years at Norfolk, Va., as Assistant Chief of Staff, G-3 (Operations and Training), of FMF, Atlantic. Subsequently, he was ordered to the Marine Corps Recruit Depot at San Diego, Calif., in June 1949, and after serving as personnel officer, became the unit's chief of staff in Sept. 1949.

In Jan. 1951, Col. Shapley was ordered again to Washington

where he served on the International Planning Staff of the Standing Group, North Atlantic Treaty Organization, until June 1953. Ordered to Korea, he served as Chief of Staff, 1st Mar. Div., earning the Bronze Star Medal with Combat "V" for meritorious achievement during this period. For subsequent service as Senior Advisor to the Korean Marine Corps, he was awarded the Republic of Korea's Ulchi Medal with Silver Star.

From Korea, Col. Shapley was ordered to Japan in May 1954. He served there as CO, and subsequently as CG, Troop Training Team, Amphibious Group, Western Pacific.

He was promoted to brigadier general in July 1954. In July 1955, on his return to the States, Gen. Shapley became Assistant Commander of the 1st Mar. Div., Camp Pendleton, Calif. Following his detachment from the 1st Div. in May 1956, he commanded the Recruit Training Command at the Marine Corps Recruit Depot, San Diego, for a brief time prior to being ordered to the Far East.

Upon his promotion to major general in Sept. 1956, he assumed duties on Okinawa as CG, 3rd Mar. Div., FMF. Gen. Shapley returned to the States in July 1957, reporting to HQMC, Washington, as Director of the MCR. After holding this post for over two years, he returned to the west coast in Nov. 1959, and served as CG, MCB, Camp Pendleton, until Mar. 1961. In April 1961, upon assuming his assignment as CG, FMF, Pacific, he was promoted to his present rank of lieutenant general.

Lieutenant General Shapley was placed on the retired list July 1, 1962.

Maj. Gen. Clifford B. Drake

Clifford Barnes Drake was born November 7, 1918, in New York City and grew up in Los Angeles, graduating from Fairfax High School there in 1935. A ROTC honor student while at UCLA, he was graduated in 1940 with a B.A. degree in Physics. He resigned a Coast Artillery Reserve Corps commission to accept appointment as a Marine second lieutenant, July 1, 1940.

At the outset of World War II, he was a member of the Marine Detachment USS California and was aboard the ship on 7 December 1941 at Pearl Harbor. He later commanded the detachment aboard the USS Argonne and at South Pacific Force Headquarters. After completing Artillery School at Quantico, Va., in 1943, he returned to the Pacific area and took part in further combat on Roi-Namur, Saipan, Tinian, and Iwo Jima, with

the 4th Marine Division.

He earned the Legion of Merit with Combat "V" on Tinian when, after his commanding officer was killed, he assumed command of the 1st Battalion, 14th Marines, directed the evacuation of the wounded, and reorganized the battalion for further combat, and the Bronze Star Medal with Combat "V" for heroic service on Iwo Jima as commander of the 2nd Battalion, 14th Marines.

Following the war, he served in the San Diego Area with Troop Training Unit, Pacific Fleet; was Administrative Assistant and Aide to the Vice Chief of Naval Operations from 1948 to 1950; and earned his Master's Degree in Education at Stanford University in 1951. During subsequent assignments, he served as Assistant Chief of Staff G-1, as a battalion commander and as regimental operations officer with the 10th Marines, 2nd Marine Division, 1951-53; and was Head, Enlisted Coordinator Section, Personnel Department, HQMC, for three years. He completed the United Kingdom Joint Services Staff College in 1957, then served as Marine Corps Representative to the British Joint Services Amphibious Warfare Center, Poole, Dorset, England, for two years.

In 1959, he returned to the G-1 Division, HQMC, serving as Executive Officer, and later as Assistant Chief of Staff, G-1. In July 1961, he became Commanding Officer, 12th Marines, 3rd Marine Division, on Okinawa. On his return to the United States, he completed the National War College in 1963, and that August was named Director, Marine Corps Command and Staff College, Marine Corps Schools, Quantico.

In January 1966, General Drake was promoted to brigadier general and designated Director, Marine Corps Reserve. On August 2, 1967, he was advanced to the rank of major general and continued as Director of the Marine Corps Reserve until April 1968. He was awarded a Gold Star in lieu of a second Legion of Merit for service in this capacity.

For service as Deputy Commanding General of the XXIV Corps, initially designated the Provisional Corps Vietnam, from May 1968 until June 1969, he was awarded the Distinguished Service Medal.

General Drake assumed his current assignment, Assistant Chief, G-3, Headquarters, Marine Corps, in July 1969.

General Drake and his wife, the former Margery Forbes Jones of Los Angeles, have two children, Christopher, and Carolyn.

the President's Corner

The time for our Reunion in Honolulu, marking the 30th Anniversary of the attack of December 7, 1941, draws closer with each passing day. Never before in the short span of five years will so many have traveled so great a distance to pay homage not only to those who lost their lives that terrible Sunday morning, but also, to all who paid the final price that this great country of ours, The United States of America, remain the strength and hope of her people.

As we continue to accept the obligations of citizenship and discharge our duties as responsible Americans, it is noteworthy and gratifying to see all Survivors and their families fully aware of the

cost of freedom and independence.

One of the purposes laid down at the founding of our association in 1958 was "to keep alive the memory of those who perished". Whether at home or abroad this December 7, 1971, what greater show of pride in our country or remembrance of our missing comrades can we display than by personal participation in memorial activities marking the occasion of this 30th Anniversary?

It is respectfully requested that all Survivors take part in the observance of this 30th Anniversary to fullest extent your personal circumstances will permit.

Yours in PHSAs,

RAY GLOVER

NATIONAL PRESIDENT, PHSAs.

ALOHA, PHSAs LADIES

The ladies of the Aloha Chapter of the PHSAs are having a very special luncheon and Polynesian Fashion Show at the Waioli Tea Room Restaurant on Saturday, December 4th, in honor of the wives, daughters, and guests of PHSAs members.

This beautiful tearoom is situated within the lush Manoa Valley in the mountain heights above Honolulu. During the past forty years the restaurant has become world famous for its superb food served in a tropical setting. Next to the tearoom, at no extra charge for visitors, is a grass shack that was once the property of Hawaiian Royalty and where, according to legend, Robert Louis Stevenson made his home as a guest of Princess Kaiulani. Nearby is the "Little Chapel" built for the children of Waioli, which is fashioned from native lava rock and has six beautiful stained glass windows. There is also a gift shop which specializes in Hawaiian artifacts and tearoom food specialties. This entire enterprise was built and has been sponsored by the Salvation Army for nearly fifty years to aid girls in need.

The luncheon menu includes a half chicken fried, hot bread, a cooked vegetables, salad, desert,

and beverage. Guests may choose their salads from the salad bar of a dozen or so salads, (fresh fruits, vegetables, congealed salads, chutney, pickles, and others). Desserts? Guests may choose a fresh fruit pie or cake — such as pineapple, guava, coconut, or macadamia nut — all positively delectable!

While dining, guests will enjoy the showing of Polynesian fashions modeled by wives of the Aloha Chapter and friends.

For luncheon you may choose half a fried chicken, salad and dessert. Or how about a plate of tasty salads and dessert of your choice? Luncheon, including the chicken, Polynesian Fashion Show, transportation to and from the Tearoom, tax and gratuities included is \$5.00 or \$4.50 without the chicken. CHAPTER PRESIDENT HONORS MOTHERS' DAY

Members and friends of Northern Illinois Chapter One met in Morris, Illinois, on Saturday, May 7th, for their Spring dinner-dance meeting at the local American Legion Hall. Dr. and Mrs. Sidney Leidman (USS Solace) were the host and hostess for the evening. Chapter president Curtis L. Swanson presented corsages to all of the wives and ladies present at the meeting in honor of Mothers' Day, Sunday, May 8th.

RECRUITS 100-PLUS NEW MEMBERS

CHARLES TOOHEY

Charles A. Toohey was born in Boston, Mass., August 19, 1919. He attended Boston schools and left at the age of 14 to go to work. Working various jobs from the circus to the sea, roofing to ditch digging, he wound up driving a truck and trailer all around New England. The wanderlust got to him so he enlisted in the Army at Worcester, Mass.

After a short stay at Fort Slocum, N. Y., he sailed to Hawaii; and there he was assigned to the 8th F.A. Bn. Hq. Btry. In Oct., 1941, the 25th Division was formed and the unit was changed to the 64th F.A. Bn. Hq. Btry.

On December 7, 1941, Charlie was sleeping in the communication area over the PX and gymnasium. He heard the steel rafters rattle from the explosion of the bombs. He ran to the window just as a Jap fighter was passing by with his machine gun bullets kicking up the dirt. Then he heard glass breaking. He turned around and there on the wall on both sides of him was a row of bullet holes. He slowly sunk to the floor, not hit, just stunned.

At a later date the unit shipped out to Guadalcanal and there Charlie contacted the various jungle diseases and, also, received a Japanese souvenir - a small fragment of steel in his head. He was discharged from the Army in 1943.

Charlie joined the PHSA Bay Patriots Chapter in March 1968 and was elected its secretary the same year (he still holds the office). When he became a member, the chapter had 14 members and non-member list of 110 - today the chapter has 136 members and a non-member list of 220.

Charlie told me "We have no home base but meet monthly in different sections of the state so that each member can get to some of the meetings. Wives, they are wonderful, also attend our meet-

ings. They don't want an auxiliary but they are right there when we need them. As to my recruiting the 100-plus new members, 99 per cent goes to the membership, without their help and cooperation I'd never made it."

"I believe the Bay Patriots Chapter has the most cooperative membership in the country. Example: In our last monthly newsletter, I told our membership, we were very low on mimeograph paper. At our next meeting, I received countless reams of paper. One member gave us 28 reams. Is that cooperation? The wives are also tops in cooperation. Yes, I am boasting and proudly so. I think we have the tops of every day people in our chapter and I'm proud to serve them. Do I get paid? I sure do! I don't receive money but the letters of thanks I receive for appreciation is worth a fortune to me. Again, my honest thanks to all our members and wives that helped to put me over the top. Never could of made it without you."

The Bay Patriots Chapter is planning their first annual get-together on Sunday, August 22nd, with all the New England chapters, families and guests. This will be an all day picnic at Whalom Park, Fitchburg, Mass. For more information on the picnic write to Charlie at: 16 Roseen Avenue, Weymouth, Mass. 02188.

On February 4, 1945, Charlie was married to Vicky Liberatore. They have two healthy children - Patricia, age 16, and Charles, age 24.

Charlie told me. "Be the good Lord willing, Vicky, daughter, Pat, and I plan to meet up with many of you in Hawaii in December."

Then our conversation ended with Charlie telling me, "I always remember: It's nice to be important but it's more important to be nice."

ILLINOIS TO HAVE ANNUAL HAMBURGER & FISH FRY

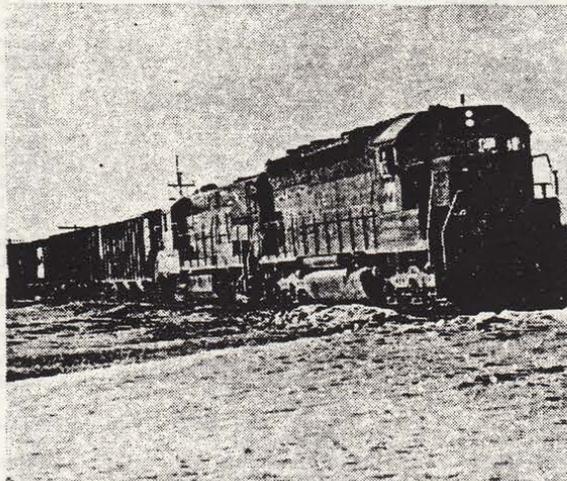

Illinois Chapter 2 and Illinois Chapter 3 will have their annual hamburger and fish fry at Dave Montgomery's home on Lake Petersburg, Petersburg Illinois.

Dave will have the hamburger fry on Saturday evening, August 28th for those who come to stay all night. The fish fry will be held on Sunday, August 29th.

Dave's address is: David T. Montgomery, P. O. Box 281, Petersburg, Illinois 62675.

All PHSA members and their families and friends are invited to attend. If you are on vacation, plan to be in Petersburg for this big event.

NATIONAL VICE PRESIDENT DOES HIS THING

Our vice president "Bo" Wilson was chosen to be the engineer in this picture to be used by the Burlington Northern Railroad in an upcoming national advertisement. His train was 62 cars of coal, 7391 tons powered by 6100 horsepower, en route from Kleenburn, Wyoming, to Havana, Illinois. The coal is of a very low sulphur content to be used by the Consolidated Edison Electrical power plant to combat air pollution in the Chicago area.

**NAVY CHIEF ELECTED
CHAPTER PRESIDENT**

CHIEF FUSCO

Serving his country as a member of the United States Navy, Chief Mario L. Fusco was recently elected and installed as president of the Statue of Liberty Chapter No. 4, New York.

Chief Fusco began his navy career when he enlisted in 1940. He was aboard the USS Curtiss during the Japanese attack on Pearl Harbor. When one of the ship's main engine rooms was evacuated, Fusco maintained emergency electrical supply to keep the guns operating. He remained aboard the Curtiss for the entire war and was in every major theatre of the Pacific campaign.

In 1946 the Chief received his discharge but remained in the Reserves, then re-enlisted actively in 1964 as a recruiting representative. Since then he has been in charge of Naval Reserve recruiting at Fort Shuyler, Bronx, New York.

Mario is a charter member of his chapter and life member of PHSA. He and his wife, Gloria, with their son, Mario, and daughter, Pat, reside at 660 Nereid Avenue, Bronx, New York.

Happy Sailing, Chief!

A BUSY JULY SCHEDULE

Our three top national officers have been on the "go" for our interest in PHSA.

Returning to the mainland, the national officers attended the State of California Convention in Oakland, July 23-25th.

TOUCHING SHOULDERS

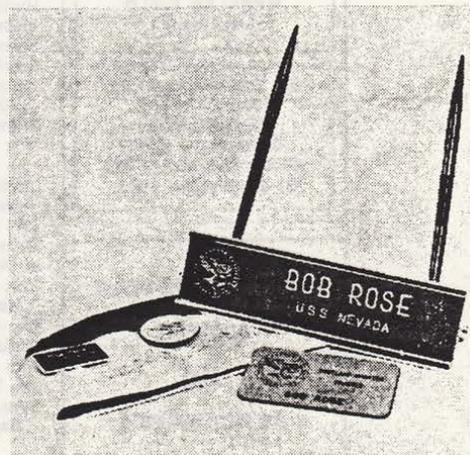

There's a comforting thought at the close of the day,
When I'm weary and lonely and sad,
That sort of grips hold of my crusty old heart
And bids it be merry and glad.
It gets in my soul and it drives out the blues,
And finally thrills through and through.
It is just a sweet memory that chants the refrain:
"I'm glad I touch shoulders with you!"

Did you know you were brave, did you know you were strong?
Did you know there was one leaning hard?
Did you know that I waited and listened and prayed,
And was cheered by your simplest word?
Did you know that I longed for that smile on your face,
For the sound of your voice ringing true?
Did you know that I grew stronger and better because
I had merely touched shoulders with you?

I am glad that I live, that I battle and strive
For the peace that I know I must fill;
I am thankful for sorrows, I'll meet with a grin
What fortune may send, good or ill.
I may not have wealth, I may not be great,
But I know I shall always be true,
For I have in my life that courage you gave
When once I rubbed shoulders with you.
